OVERVIEW

LA | Sanlorenzo SX88 (2022) — Price: €5,495,000 — A sophisticated fusion of flybridge comfort and explorer resolve, LA is a commanding 26.70-metre Sanlorenzo SX88 crossover superyacht penned by Piero Lissoni. Her interior adopts a loft-like approach that prioritises true single-level living on the main deck, where expansive floor-to-ceiling glazing and a restrained, impeccably crafted Italian minimalism create an airy, refined atmosphere. With a beam of 7.20 m and a substantial 115 GT of volume, she delivers notable onboard space and composure, while triple Volvo Penta IPS1050 drives ensure a serene 20-knot cruising pace and a 23-knot maximum. Accommodation is arranged for eight guests across four ensuite staterooms, comprising a full-beam Owner's suite, an elegant VIP and two well-appointed twin cabins, supported by crew quarters for three. Distinctive SX88 features are present throughout: an open aft beach club that sits at water level, a salon that dissolves into the exterior for effortless indoor-outdoor living, and a climate-controlled, convertible flybridge helm that easily converts from an open-air helm to an enclosed sky-lounge as the mood or weather dictates.
