DETAILED DESCRIPTION

Astrimare II

Astrimare II is a 26.76 meter Sanlorenzo yacht delivered in 2023, conceived for owners who prize speed, contemporary Italian design, and effortless comfort at sea. Exterior and interior styling by Zuccon International Project unites clean lines, generous glazing, and a luminous modern ambiance that flows through every space. The main salon's large windows bathe refined furnishings in natural light, while the dining area blends seamlessly with the on-deck social zones to encourage relaxed indoor-outdoor living. Below, the accommodation welcomes up to eight guests in four cabins, comprising a full-beam master suite, a VIP cabin, a double cabin, and a twin cabin, each with its own private ensuite bathroom, and three dedicated crew members ensure smooth service and onboard ease. Life on deck is a true highlight: the aft deck sets the scene for convivial al fresco dining, the bow lounge becomes a sun-filled retreat at anchor, and the flybridge delivers panoramic views, inviting lounges, and additional entertainment space tailor-made for cruising warm Mediterranean waters. At the waterline, a swim platform offers effortless access to the sea and supports tender and watersports activities. Powered by twin MAN engines, Astrimare II reaches a top speed of about thirty two knots and cruises comfortably around twenty seven knots, while her GRP planing hull provides a fast, agile ride and her well-balanced fuel and water capacities support enjoyable voyages between destinations.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
