OVERVIEW

Discover the Epitome of Elegance: The 2006 Johnson Yacht

Step aboard the magnificent 87-foot Johnson Yacht, a masterpiece of nautical engineering and design, currently located in the United States. This exquisite vessel, built in 2005, is a testament to luxury and performance, offering an unparalleled yachting experience for those seeking to buy a yacht that embodies both style and substance.

With a beam of 23 feet, this yacht provides an expansive and inviting space, perfect for entertaining or simply enjoying the serenity of the open sea. The semi-displacement hull, crafted from a sophisticated blend of fiberglass and plastic, ensures a smooth and stable journey, whether you're cruising at a leisurely 15 knots or reaching the exhilarating top speed of 18 knots.

Designed by the renowned Johnson Yachts, both the exterior and interior of this vessel exude sophistication and elegance. The interior is a sanctuary of comfort, meticulously crafted to offer a luxurious retreat with every modern amenity. The spacious layout includes two crew cabins, ensuring that your every need is catered to with the utmost professionalism and discretion.

Powered by twin Caterpillar inboard engines, this yacht is as powerful as it is graceful, with a substantial fuel capacity of 3,400 gallons, allowing for extended voyages without compromise. The 600-gallon water capacity ensures that you and your guests can enjoy all the comforts of home while exploring the world's most beautiful destinations.

The deck, constructed from durable fiberglass, offers a perfect blend of functionality and style, providing ample space for sunbathing, dining, or simply taking in the breathtaking views. Whether you're hosting an intimate gathering or a grand celebration, this yacht is the ideal setting for creating unforgettable memories.

For those interested in yacht sales in the current boat location, this Johnson
