OVERVIEW

The Lazzara UHV 90 beckons connoisseurs who crave exceptional luxury, contemporary glamour, and seamless functionality, harmoniously blended in a yacht crafted for effortless cruising. Meticulously conceived to deliver unmatched interior volume, this UHV90 boasts the highest gross tonnage in its category, and its brilliantly optimized layout challenges the living space of yachts twice her length. With 2,153 sq.ft of refined interiors and 862 sq.ft of open-air decks, the Lazzara UHV 90 promises a superlative onboard lifestyle—a genuine home afloat for extended escapes and relaxed entertaining.

Outdoor living unfolds across an expansive alfresco dining area with adjoining lounge seating on the upper deck, a foredeck appointed with plush sunpads, and a wide swim platform that streamlines movement to and from the sea, tender, and water toys.

Accommodations welcome eight guests in four elegant suites, ensuring indulgent comfort for family and friends. The king-size owner's stateroom sits on the main deck, enhanced by a private seating area and writing desk, and complemented by a spa-inspired en suite clad in marble. On the lower deck, the guest quarters comprise a VIP, a double, and a twin cabin. Dedicated quarters for four crew elevate service and privacy, underscoring the versatile allure of this luxury motor yacht and modern superyacht, whether for private adventures or glamorous marina stays.

DETAILED DESCRIPTION

Specifications

Effortless passage-making begins with confident performance: she cruises comfortably at 12 knots, reaches a top speed of 16 knots, and delivers a range of 1,500 nautical miles. Balanced proportions underscore her capability, with an overall length of 87 feet, a beam of 23.58 feet, a maximum draft of 6 feet, and a waterline length of 77.42 feet. Her robust build carries a dry weight of 275,000 pounds.

Practical systems are equally robust, featuring a windlass—hydraulic in operation—for sure-footed anchoring, and a 220V electrical circuit serving shipwide needs. Thoughtful tankage supports extended cruising, including one 500-gallon GRP fresh water tank, a 2,770-gallon GRP fuel tank, and one 475-gallon GRP holding tank.

Accommodations are arranged for comfort and privacy with four cabins and six heads, offering three double berths and one twin berth.

Accommodations

Thoughtfully arranged for effortless comfort, the yacht welcomes up to eight guests in four elegantly appointed staterooms, while a professional crew of four is accommodated in two dedicated cabins, ensuring discreet, attentive service throughout every voyage.

Description

The Lazzara UHV 87 is crafted for those who expect extraordinary luxury, chic style, and flawless functionality. Meticulously designed to deliver unrivaled

interior volume, the UHV87 boasts the greatest gross tonnage of any yacht in its class, and its optimized use of space rivals that of a yacht twice its size. With 2153 sq.ft of interior living space and 862 sq.ft of exterior decks, the Lazzara UHV 87 promises a superlative onboard lifestyle—a true home on the water. Expansive deck areas elevate every moment at sea, from the spacious alfresco dining area with adjacent lounge seating on the upper deck to the bow, fitted out with cushioned sun pads, and the broad swim platform that ensures effortless access to and from the water, tender, and toys.

Accommodation is arranged for eight guests across four suites. The king-size master stateroom, set on the main deck, features a seating area and desk, complemented by a spa-style ensuite bathroom finished in marble. On the lower deck, the guest quarters comprise a VIP stateroom, a guest double, and a twin cabin. Separate accommodation for four crew enhances privacy and service, giving this motor yacht truly versatile appeal.

Features

Engineered for confidence and comfort, the yacht's electrical backbone features a shore power inlet, a robust generator, and an efficient inverter to deliver dependable energy whether at the dock or underway. A comprehensive suite of electronics enhances navigation and entertainment alike, with a depthsounder, radar, and computer supporting a dedicated navigation center complete with plotter and GPS, while an autopilot streamlines passage-making. Communication and clarity are ensured by VHF and radio, precise heading comes via a compass, and onboard leisure is elevated by a DVD player, a CD player, and cockpit speakers that set the perfect soundtrack at sea.

Thoughtfully appointed interior equipment includes both stern thruster and bow thruster for precise maneuvering, complemented by an electric bilge pump and a battery charger for reliable shipboard systems. Domestic comforts are abundant, with a dishwasher, washing machine, oven, microwave oven, air

conditioning, electric head, heating, hot water, and a refrigerator, while extended cruising is supported by a fresh water maker and a sea water pump. On deck, craftsmanship and convenience shine through a teak cockpit and teak sidedecks, a hydraulic gangway for effortless boarding, and well-placed amenities including a cockpit shower, cockpit cushions, and a cockpit table. A swimming ladder invites easy access to the water, rounding out a deck experience that is as practical as it is luxurious.
