OVERVIEW

Discover M/Y Cecilou, an elegant Sanlorenzo design built by Cayman Yachts F920 and launched in 2018, where Italian style meets seaworthy engineering. At 27 metres (88 feet) overall with a generous 6.6 metre (21 feet) beam, she presents a graceful profile that conceals a spacious, light-filled interior. Her hull, fashioned from lightweight yet durable GRP, is paired with twin MTU 16 V 2000 M96L engines that have recorded remarkably low use — just 260 hours — allowing for exhilarating top speeds of 33 knots and a comfortable cruising pace of 25 knots.

Thoughtfully arranged for guest enjoyment, Cecilou provides a generous flybridge and a folding balcony that open the vessel to panoramic vistas and alfresco leisure. Below decks she sleeps up to eight guests in four sumptuous cabins: a Master suite, a VIP cabin and two double cabins, each finished to a high standard for relaxed overnighting. Comfort and seakeeping are enhanced by a Seakeeper Gyroscopic Stabilizer, while the Marshall Islands flag offers flexible international registration for both private ownership and charter possibilities.

Maintained to a pristine standard by a single previous owner for private use, Cecilou is presented in immaculate condition and is available for inspection in Beaulieu-sur-Mer, France. VAT has been paid.

Spacious flybridge

Extremely low engine hours

Seakeeper gyroscopic stabilizer

One previous owner – private use

VAT paid

This exceptional yacht for sale represents a rare opportunity to acquire a beautifully kept, high-performance craft in the current boat location — make

Cecilou your next treasured vessel.
