## OVERVIEW

---

The 27m Leopard 27, MYSVEN, is an open motor yacht fashioned with sleek sports-yacht lines by Leopard at their Pisa yard, where Italian craftsmanship and a low-slung profile lend her unmistakable open-class allure. Built with a planing GRP hull, GRP superstructure and finished with teak decks, she presents a harmonious blend of performance-focused construction and refined Mediterranean styling.

Her interior is arranged to sleep up to 12 guests overnight across four cabins: a full-beam master suite, one double and two twin cabins each fitted with a Pullman berth, while a dedicated crew of two attends to every detail.

Propulsion comes from twin 1,998hp MTU diesel engines driving twin-screw surface drives, delivering a top speed of about 38 knots and an effortless cruise of 34 knots. Fuel capacity is approximately 8,000 litres with around 2,000 litres of fresh water, making her an ideal sports cruiser for those who prize speed, elegance and Italian style.

## Additional details

---

Power on board is assured by twin generators: a 19 kW PORT unit showing 2,179 hours and a 27 kW STB unit with 3,123 hours, providing reliable electrical supply for extended cruising and onboard systems. Designed for effortless family cruising, the yacht offers four cabins — two doubles and two twins with pullman berths — sleeping up to ten guests, with capacity for twelve while underway, ensuring flexible accommodation for family and guests. From the aft garage a Williams TurboJet 325 tender launches with ease, complemented by a SeaDoo 215RXP jetski, while seamless boarding is courtesy of Besenzoni passarelle and a practical swimming ladder and an aft deck sun awning casts cool shade at anchor for relaxed days afloat. For waterborne fun the toys collection features a wakeboard, inflatable and towable water toys and complete snorkeling equipment to satisfy every level of adventure. The bridge is comprehensively outfitted with Simrad RS82 VHF/DSS, a Delta Nav intercom, Simrad RA42C radar, a Simrad CX44 nav station and a Simrad AP25 autopilot, supported by a Furuno NavTex NX300 for weather and safety updates, an Elettronavi computer, Simrad IS15 speed log and a Ritchie Powerdamp Plus compass to complete a sophisticated navigation suite. Entertainment flows throughout: in the main salon a 40" Sony TV pairs with a Blu-ray DVD player, a Denon amplifier, KVH Trackvision G8 and five overhead speakers for immersive sound, the master stateroom is appointed with a 32" Sony TV and a Denon DVD player and the lower salon mirrors the setup with a 32" Sony TV and a Denon DVD amplifier, while the three guest cabins are each equipped with a 15" Sony TV and a Denon DVD player to keep every guest entertained. Chef-ready amenities include a Miele oven and stove in the main galley, a refrigerator/drink cooler in the main salon and a full-height Bosch

refrigerator/freezer in the galley, complemented by a fast freezer located in the bilge space below the passenger accommodation; daily service is elevated by a Frigormar icemaker in the main saloon alongside a Miele microwave, Miele dishwasher, Miele washing machine and Miele drier for effortless onboard living.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
