OVERVIEW

The aft deck is gracefully composed around a full-beam stern settee paired with a raised dining table and a selection of occasional chairs, forming an elegant tableau for alfresco dining or unhurried gatherings for up to eight guests. Twin stairways sweep down to the lower-deck swim platform, while an interior companionway provides direct access to the flybridge, where a tensioned sun sail filters natural light into cool, dappled shade for those reclining above on this flybridge motor yacht.

On the flybridge, sumptuous seating embraces the helm, creating a refined yet convivial atmosphere. Forward, a welcoming conversation area marries an aft-facing settee with a forward-facing corner sofa to port and a low table, an ideal arrangement for cocktails at sunset and easy dialogue. Just aft, a second lounge zone presents a U-shaped sofa encircling a coffee table, offering an additional chic retreat from which to admire the horizon aboard this luxury yacht.

An on-deck barbecue with refrigerated storage elevates languid days at sea, while retractable sun sails, generous cushions, and soft towels complete the inviting character of the exterior decks, encouraging lingering between swims and amplifying the superyacht-style experience whether engaged in private cruising or luxury charter yacht outings.

The main deck is devoted to a spacious, open-plan salon, its interiors bathed in daylight through full-height aft glazing and sliding glass doors. An intimate formal dining nook centers on a round table set against a sculpted banquette with additional chairs, providing a poised setting for shared meals. Aft, two sweeping sofas flanked by side tables form a relaxed lounge for conversation or quiet reading, and a widescreen TV mounted to starboard supplies effortless entertainment whether underway or at anchor, encapsulating the comforts of a premium motor yacht.

Below, the accommodation deck unfolds four beautifully appointed guest cabins: a full-beam master suite, a gracious VIP stateroom, and two twin cabins, one augmented by a discreet Pullman berth to increase versatility. Tailor-made for families or friends, this refined configuration reinforces the yacht's appeal as both a crewed charter yacht and an elegant family cruiser.

DETAILED DESCRIPTION

Additional equipment

Thoughtfully refreshed in 2019 and elevated again with new linens, towels, and accessories introduced in 2025, this yacht welcomes you with a contemporary, light interior anchored by a spacious saloon. A generous fly deck sets the scene for al fresco dining with a built-in BBQ, while a brand new air conditioning system delivers cool, quiet comfort throughout. An impressive collection of water toys promises effortless fun on the water and seamless days at anchor. Your launch platform features a Gommonautica 420 tender for five guests, powered by a Yamaha 40 hp outboard, complemented by a Sea Doo MY19 EN V07 jet ski and a Jet Surf available separately, valued at 4,500 euros. Tow sports enthusiasts will appreciate adult water skis, a 2025 wakeboard, and two tubes, together with an inflatable sofa for three and two inflatable SUPs. Fishing gear is ready for relaxed casts at golden hour, and an E Scooter makes shore side errands swift and easy. Wellness comes aboard with yoga mats, weights, and resistance bands for a satisfying workout with a sea breeze. Connectivity and entertainment are equally refined: WiFi with 5G, including a WiFi 6 router, blankets the yacht; Satellite TV is available; the master and double cabins each feature 43" smart HD TVs; and the twin cabins are fitted with 27" smart HD TVs with Netflix, Amazon Prime Video, and Disney+. A Sonos sound system in the saloon and on the flybridge brings rich audio, with Bluetooth and WiFi integration for effortless streaming.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
