OVERVIEW

Major refit in 2020, comprehensively upgraded and presented in immaculate condition.

Undergoing an extensive rebuild, this luxury motor yacht reveals a fully reimagined interior with a new layout, bespoke joinery and elegant furnishings, while electrics and engineering have been modernised throughout. She will be delivered turnkey, complete with every enhancement and full service and maintenance records. Fin stabilisers provide comfort both underway and at anchor, and every deck was re-laid with new teak in 2020. The flybridge and sundeck have been transformed to include a custom bar forward of the jacuzzi and a 60-inch flat-screen on the sun deck, accompanied by all-new interior and exterior upholstery and cushions.

Flooded with sea breeze and natural light, the accommodation embraces generous, welcoming spaces finished in the finest Italian materials to evoke effortless refinement. All onboard systems and auxiliary equipment are currently being renewed as part of the ongoing works, ensuring she presents as-new. A standout superyacht and flybridge cruiser, she is refined, charter-ready and poised for immediate bluewater cruising.

DETAILED DESCRIPTION

Accommodations

Five luxurious guest cabins, each appointed with a high-spec bathroom with shower, create a private sanctuary for every guest; the arrangement comprises a full-beam master suite, two elegant VIP cabins, and two separate twin cabins fitted with Pullman beds to flexibly welcome additional guests. Crew quarters include a dedicated Captain's cabin and two twin crew cabins, thoughtfully configured to comfortably accommodate a total crew of three while preserving complete privacy for guests.

Domestic equipment

Undertaken in 2020, the yacht benefited from an all-new interior layout and systems, bringing a fresh, contemporary feel to life on board; the galley was comprehensively renewed the same year, with all refrigerators, freezers, ovens and ancillary appliances fitted brand-new in 2020 for reliable, efficient service. A separate pantry was added as a dedicated service hub, streamlining rapid, discreet catering and expediting swift service to guests.

Navigation & communication equipment

All systems are brand new, including the interior layout, with the yacht's electronics and electrics comprehensively fitted new in 2020; the result is a seamless, modern operational environment with fully renewed hardware and wiring for confident cruising and effortless connectivity.

Additional information

Thoughtful upgrades elevate life on deck and at anchor, including a suite of brand-new inverters and a Jacuzzi for indulgent relaxation; power reserves are bolstered by a total of 25 brand-new batteries, while a new windlass installed in 2020 and brand-new hydraulic systems add dependable muscle. Sunpads fore and aft invite leisurely lounging, and a charger station with USB and Bluetooth keeps devices seamlessly connected. For on-water fun, snorkelling equipment, a Jet Ski and a Sea Bob expand the adventure, all backed by comprehensive safety equipment. Entertaining is effortless with a BBQ, and shade is assured by the Sure Shade system.
