OVERVIEW

Indulge in the epitome of luxury and performance with this stunning 88-foot yacht, a masterpiece crafted by the renowned Sunseeker in 2011. Currently located in the breathtaking waters of Greece, this vessel is not just a yacht; it's a floating sanctuary designed for those who appreciate the finer things in life.

With a sleek monohull design and a robust fiberglass and plastic hull, this yacht promises both elegance and durability. The spacious deck, constructed from high-quality composite materials, invites you to bask in the sun or entertain guests in style. As you glide through the azure waves at a cruising speed of 23 knots, you'll experience the thrill of the open sea, with a maximum speed of 28 knots ensuring that adventure is always within reach.

Step inside to discover an interior that seamlessly blends sophistication with comfort. Designed by Sunseeker, the yacht boasts five luxurious heads and ample accommodation for up to four crew members, ensuring that your every need is catered to. The generous water capacity of 396.26 gallons and a fuel capacity of 1981.29 gallons allow for extended voyages, making this yacht an ideal choice for those looking to explore the stunning coastlines and hidden gems of Greece.

Whether you're looking to buy a yacht for leisurely escapes or unforgettable gatherings, this vessel is a prime candidate in the current yacht sales market. With its impressive gross tonnage of 101 pounds, it offers stability and space, making it perfect for both intimate getaways and grand celebrations.

Don't miss the opportunity to own this exquisite yacht, a true gem in the world of luxury boating. With its exceptional performance, elegant design, and prime location, it stands out among yacht sales in the current boat location.

Experience the allure of the sea like never before—this yacht is ready to take you on your next adventure.
