DETAILED DESCRIPTION

General description

M/Y Lady Aga is the Ferretti Yachts 860, a model conceived by Filippo Salvetti that stands out in the approximately 85-foot flybridge category for its exceptional practicality and ease of use. The design's appeal was evident even before its public debut at the Cannes Yachting Festival 2022, where the model had already attracted twelve orders. Internally she sleeps eight guests across four cabins with the addition of one Pullman berth, while comfortable crew accommodation for four ensures professional service; registered commercially under the Polish flag, she is ready for immediate charter operations.

The yacht's crowning feature is a vast 44 m² flybridge—one of the most generous on yachts of this size—where a jacuzzi, extended lounging areas and a capacious alfresco dining arrangement are complemented by an updated audio system and a bespoke owner request: a large television that rises electrically from the galley cabinetry. Practicality continues in the aft garage, which uniquely accommodates a tender up to 3.95 m alongside a jet ski, an uncommon convenience in the 85-foot flybridge segment.

Circulation aboard is effortless thanks to wide side decks and high bulwarks, while the exterior living is anchored by a 30 m² aft cockpit that flows directly into a main salon bathed in natural light through floor-to-ceiling glazing; electrically operated sliding side doors provide seamless access to the outside walkways. The sleeping quarters are organized around a full-beam master suite, with a VIP and guest cabins that maintain consistently high standards of comfort and finish.

Underway, Ferretti's well-regarded seakeeping qualities are supported by the option of stabilizers and enhanced acoustic insulation, delivering a platform built for owners who prioritize spaciousness, functionality and dependable

performance in all conditions. The yacht's clean profile and restrained, minimalist interiors strike a refined balance of sophistication, comfort and contemporary style.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
