OVERVIEW

M/Y ESCAPE embodies contemporary Italian yachtmaking at its most refined: the Azimut Grande 27 Metri melds expansive interior volume, elegant lines and exhilarating performance on a versatile 26.78-metre motor yacht platform. Conceived by Stefano Righini with interiors by Achille Salvagni, this 27 Metri employs extensive carbon-fibre construction to maximise living space while preserving balance, efficiency and excellent sea-keeping.

Its raised-pilothouse arrangement permits a sumptuous owner's suite on the main deck, with up to four guest staterooms below, allowing accommodation for as many as ten guests in discreet luxury and comfort. Generous glazing floods the interior with natural light, while life on deck is celebrated through a capacious flybridge, a tranquil foredeck lounge and a multifunctional beach-club stern platform that unfolds to create a seamless connection with the water.

Propelled by twin MAN V12 1900 hp diesels, M/Y ESCAPE cruises at approximately 24 knots and can reach 28 knots, combining planing agility with the quiet refinement, poise and comfort that define the Azimut Grande lineage. Launched in 2023, the Grande 27 Metri offers owners the presence and amenities of a larger superyacht distilled into a nimble, sub-30-metre luxury package.
