OVERVIEW

Introducing a Sanlorenzo 88 now on the market — serious offers invited for a swift sale. Delivered in 2010 and fastidiously maintained as a private luxury motor yacht, this SL88 combines refined Italian styling with robust, proven CAT power. Her twin CAT C32 DITA engines propel the hull to a top speed of 28 knots, giving a true performance motor yacht experience while preserving superyacht comfort.

Arranged in a four cabin configuration, she accommodates up to 9 guests across three en suite staterooms plus a convertible office cabin, with berths and facilities for 4 crew. The lower deck presents an aft Master suite with walk in wardrobe and a generous hammam style shower, a full beam VIP en suite, a starboard twin en suite, and a portside office that readily converts into an en suite double. Practical systems include a watermaker, two generators, zero speed stabilizers, CCTV and a full TV AV package to ensure effortless living and entertainment at anchor or underway.

Deck areas emphasize outdoor conviviality: a capacious flybridge layout, enhanced by freestanding aft sunpads, creates an expansive open air entertaining zone, while the broad aft cockpit is tailored for relaxed alfresco dining and evening cocktails. Tender operations are made simple with a Williams jet tender and dedicated, tender ready practicality, supported by a hydraulic passerelle and an electro hydraulic transom platform. With robust systems, refined finishes and the style and capability expected of Sanlorenzo, she is an ideal family friendly, crewed planing luxury yacht and dependable Mediterranean cruiser.
