OVERVIEW

The 88Y888 Special Edition, a premium-category luxury motor yacht, marries formidable propulsion with refined livability: twin Caterpillar C32 ACERT diesels producing 1,925 hp each propel her onto the plane with assured performance, while TRAC STAR 9X hydraulic fin stabilisers deliver superb stability both underway and at anchor. Built for bluewater passages, she boasts a 13,000-litre fuel capacity for extended cruising. Social spaces flow effortlessly from a walk-through foredeck lounge with adjustable sunshade to an aft garage dedicated to Jet Ski and tender stowage; on this flybridge superyacht the flybridge is sheltered by a hardtop with an opening sunroof. A hydraulic bathing platform offers effortless water access and tender launch, and the main saloon's fold-out balcony creates a private sea terrace.

DETAILED DESCRIPTION

Princess 88my

An exceptionally rare, truly one-off opportunity to acquire the only Princess 88MY of its kind ever built by Princess Yachts, this custom long-range special edition is engineered for remarkable autonomy and endowed with unique features found on no other Princess, nor on most yachts of comparable or larger size. At its core is a 13,000 lt long-range fuel tank delivering up to 2,000 nm at 11 knots, complemented by an aft transom garage for wet-bike/jet ski and watersports gear, a Superyacht Grey hull finish, and the auspicious special edition "88Y888". The Princess 88 Motor Yacht represents the very latest in luxury from the world-renowned shipyard, introducing innovations such as a saloon balcony/terrace and a vast foredeck Portuguese bridge. This particular yacht is specified with every option a discerning, experienced yachtsman could desire and is fully equipped for long-range cruising in style, safety and comfort. Propulsion comes from twin CAT C32 ACERT diesel engines rated at 1,825 hp each, working in concert with a TRAC STAR 9X Hydraulic Fin Stabiliser System for composed passages. She accommodates eight guests in four cabins and four crew in two cabins, and elevates life on board with walk-through bow seating under a sunshade, a transom garage with dedicated jet ski stowage, hydraulic bow and stern thrusters, a flybridge hardtop with sunroof, a hydraulic bathing platform, a saloon fold-out balcony, and a flybridge tender crane, among many other refinements. Stored fully covered from day one in a VIP under-cover garage and maintained meticulously by a full-time captain and crew, she invites inspection without delay.
