OVERVIEW

DAYDREAM, a Ferretti 881 stretching 27 metres with a flybridge, expresses Italian craftsmanship through lively performance, refined exterior lines and an interior thoughtfully configured for family life. Delivered in 2006 and comprehensively refreshed in 2024, she presents a beautifully balanced platform for cruising the Mediterranean, pairing generous outdoor lounging decks with a bright, welcoming interior designed for effortless living on board. Accommodation is arranged for 8/9 guests across four cabins, comprising a full beam owner's suite with expansive hull windows, a VIP stateroom and two twin cabins, one of which includes a Pullman berth. Twin MTU engines of 2,030 hp apiece propel DAYDREAM to a comfortable cruising speed of 21 knots and a top speed of 30 knots, while zero speed stabilizers ensure exceptional comfort at anchor. The yacht's large flybridge beneath a hardtop, wide swim platform, upgraded entertainment systems and two tenders — including a 9.90 m Ribco 32 — add to her flexibility for private escapes or charter yacht programs, capturing the contemporary luxury and versatility synonymous with Ferretti superyachts.
