OVERVIEW

Constructed by the illustrious Italian shipyard Pershing and envisioned by designer Fulvio De Simoni, ICE first slid into the water in 2002 as a distinguished member of the Pershing 88 line and was comprehensively refitted in 2020. This refined yacht for sale accommodates up to eight guests in sumptuous comfort: a sprawling master suite, a distinguished VIP stateroom and two well-appointed double cabins, each fitted with advanced entertainment systems, televisions and luxurious en suite baths. Two crew cabins provide comfortable berths for a four person crew, ensuring seamless service and operation.

The full beam main saloon is elegantly arranged with plush lounge seating centered around a sophisticated entertainment hub, while forward lies a formal dining area complemented by a chic bar and refrigerator—an ideal setting for intimate dinners or lively gatherings. Ascend to the upper saloon and you are greeted by a luminous, airy environment highlighted by a distinctive circular seating arrangement and coffee table, with the helm station naturally integrated and flowing out to the upper deck; a layout that promotes a graceful indoor outdoor lifestyle so prized on a vessel of this caliber. Forward on deck, a gracious bow seating area accommodates up to ten guests, perfect for socializing or quiet contemplation while underway.

The aft deck is tailored for alfresco dining and relaxation, featuring built in sumptuous seating, a dining table and direct access to the swimming platform, with a removable sunshade enhancing comfort when desired. ICE is driven by twin MTU 16V2000 diesel engines, delivering an exhilarating top speed of 38 knots and a performance that matches her refined aesthetics. Explore yacht sales in the current boat location and seize the chance to acquire a yacht that marries luxury with spirited performance.
