## OVERVIEW

---

A refined 27-metre Falcon motor yacht, originally fashioned in 1988 and thoughtfully renewed in 2024, represents an exceptional proposition within the 25–30 metre class. Marrying classic Italian lines with contemporary upgrades, this vessel remains in excellent condition and is equally suited to private leisure or commercial use.

Accommodation is composed of four en suite staterooms — two generous Masters, one Double and one Twin — comfortably welcoming up to eight guests. A substantial 6-metre beam furnishes spacious interiors and expansive outdoor areas designed for relaxation and entertaining.

Notable particulars are woven into the yacht's character: a comprehensive refit completed in 2024, a four-cabin layout each with private bathrooms, Beam: 6 meters and Length: 27 meters. The boat is currently situated in Turkey and is available for viewing. A full brochure and crew information can be provided on request. For buyers seeking a vessel in this location, this Falcon presents a prime opportunity for acquisition.
