OVERVIEW

If you've been eager to acquire a luxury motor yacht but worry about the significant costs tied to yacht ownership—berth charges, insurance, crew payroll, upkeep, and administration—your search ends here today for good.

This 90' luxury superyacht has been fastidiously cared for by the owner and a dedicated full-time crew. Featuring 4 staterooms, 4 ensuite baths plus a day head, she gracefully sleeps and serves 10 guests in comfort. The owner is inviting one or two partners to come aboard for the very first time. This is a rare chance to step aboard a vessel prepared for your cruising and charter enjoyment.

With a single \$500K commitment toward this \$2.2 million motor yacht, you secure a 25% equity share, freely transferable at any time, plus the satisfaction of owning a beautifully kept yacht supported by a seasoned, permanent, dedicated onboard crew.

As an added benefit, this charter yacht already generates revenue that directly offsets—and at times fully erases—the owner's monthly operating costs too.

There's nothing quite like stepping onto your own yacht, with cherished spaces and trusted faces ready to craft a wonderful vacation for you.

Lastly, the current owner will provide professional management of the yacht at no cost to you.

Please inquire with any questions about the yacht or crew, or to arrange a private viewing.

DETAILED DESCRIPTION

Manufactured provided description

The Ferretti 881 introduces refined design solutions that maximize space and bathe every cabin in natural light. At its heart, the master suite spans the central section of the hull and is oriented opposite to the direction of navigation, creating an incomparable retreat where two expansive open-view windows on both sides frame the sea. From the bed or while in the shower, the owner can savor a unique panorama that elevates every moment on board. Outside, a very large flybridge beckons with a Jacuzzi, a bimini top, and plentiful seating, shaping the ideal setting for sharing unforgettable moments with guests. A large aft garage with hydraulic opening transforms into a wide swim platform, seamlessly connecting life on board with the water. Generous interior volumes and elegant finishes complete the impression of a true villa on the sea.

Highlights

Fresh from a comprehensive refit spanning 2022 and 2023, this yacht features new engines installed in 2022 and rebuilt Kohler generators for dependable power underway and at anchor. A full crew is in place, and the vessel is already integrated into an established chartering program for seamless, immediate operations. Onboard comforts include a hot tub, Starlink WiFi, and new appliances, while the water toy lineup delivers excitement with two jet skis and a twenty-foot tender included—and more.
