## OVERVIEW

---

Scorpio II is an 88-foot (26.21-meter) Hargrave flush-deck motor yacht, launched in 2021. With a renowned Jack Sarin hull, she presents a smart layout for up to eight guests in four staterooms, plus crew quarters for as many as four.

Certified to RINA class with every survey finalized and documented, she is genuinely turnkey and poised for her next voyage. Her hull and superstructure are GRP, with carbon-fiber reinforced frames and stringers throughout for reliability.

Scorpio II features exterior lines by Hargrave, while interiors were expertly curated by Yacht Interiors by Shelley.

As the sole Hargrave 88 Flushdeck Enclosed Bridge, she distinguishes herself with singular style and confident performance afloat.

# DETAILED DESCRIPTION

---

## Equipment and options list

---

Power on board is assured by two Northern Lights 38 KW generators operating at 1800 RPM and 60 Hz. Generator one shows 1250 hours, with hours registered on 02/13/2025, while generator two likewise has hours registered on 02/13/2025.

The galley and service areas are comprehensively appointed with one GE GGDF650SSJSS dishwasher, one GE GGFC720N continuous feed disposer, two GE GGFD14ESSNWW electric dryers in white, two GE GGFW148SSMWW electric washers in white, one GE GJES1072SHSS countertop microwave oven in stainless steel, one GE GJP3530DJBB black cooktop electric burner, one GE GJTS3000SNSS 30" single wall convection oven, one GE GPVM9179SKSS over-the-range convection microwave oven, one GE GZIC30GNNII Monogram refrigerator/freezer, one GE GZKGC3H3CNSS Monogram minimal Euro handle, one GE GZKSSN804NRH CCY solid stainless-steel door, two Hozizaki stainless-steel ice makers, one Sub-Zero SID24R 24" stainless-steel refrigerator drawer, one Sub-Zero SID24RO 24" stainless-steel refrigerator drawer, one U-Line UU1215WCS00B stainless-steel wine cooler, one U-Line UUORE115SSO1A stainless-steel refrigerator, one 3C-S1S1P FireMagic grill, one Insinkerator hot water dispenser with stainless-steel tank, one Ensign freezer rated 115V/60Hz measuring 40" L x 20" W x 21" H, and one Ensign freezer with dual control.

Navigation and communications are anchored by Garmin systems, including two GPSMAP 8616 16" touchscreen chart-plotters with Full HD, one GPS 19x NMEA 2000 position receiver/antenna providing 10 Hz update rates for position, velocity, and time data, one AIS 800 with 500 Gold Series antenna, and one GMR Fantom 54-mile, four-foot, solid-state open-array radar with

MotionScope technology to detect and color-highlight moving targets for collision avoidance, birdfinding, and weather tracking. Redundant communications are provided by two VHF 315 units delivering 25-watt Class D DSC capability paired with 500 Gold Series marine VHF antennas, supported by two GA 38 GPS/GLONASS Antenna 2 units and two Hailer PA-60/40 deck horns/hailers with audio outputs of 40 watts and 60 watts. Underwater awareness is enhanced by one depth sounder/sonar GSD 25 with Air-mar B755VL stem, delivering depth performance from 800 to 1,200 ft with a beamwidth of 45 to 12 degrees (a retractable thru-hull sensor designed to be removed in the water for maintenance or replacement). Helm control precision comes via one GHC 20 marine autopilot control unit and one GRF 10 rudder feedback sensor, while low-light visibility is assured by one RCL-100D searchlight at 12V with a URC-102 master controller producing 200,000 Candle power. Weather insight is further supported by one GXM 54 SiriusXM weather antenna.

Security and situational awareness are strengthened by three GC 200 marine cameras in PAL/NTSC format, with two in the engine room and one at the aft deck. The system integrates one GPS GOST Apparition security and monitoring package with Inmarsat GPS tracking, four GOST GMM-IP67-HWS GOST water-resistant high-water sensors in the bilges, and one GOST GP-MSWR wireless water-resistant digital PIR motion detector with anti-masking and active IR detection for sprayed liquids and blocking items, offering 90Lbs pet immunity.

High-speed connectivity is delivered by one MDS-242-A 4G LTE Advanced high-speed modem with dual SIM card slots, complemented by six MAP-7 dual-band marine access points supporting 2.4GHz 802.11b/g/n and 5GHz 802.11a/n.

Entertainment throughout the yacht is curated with a satellite TV suite featuring one KVH Trac-Vision HD7, one DVR satellite receiver HR24 DirecTV

1080p HD, and one Star-Link high-speed internet antenna. In the main salon, one Samsung UN55RU8000 55" 4K Smart LED Super Ultra HDTV with HDR is mounted on a pop-up lift rated to 175 pounds, paired with one Bose Lifestyle 650 system with five surround Omni Jewel speakers and Sound-Touch, one Apple TV 4K (32GB) Apple TV 4K 32GB, and one BDP-S6700 4K upscaling Wi-Fi built-in Blu-ray player. On the aft deck, one Samsung UN49RU8000 49" 4K Smart LED Super Ultra HDTV with HDR is complemented by one FUSION MS-RA770 Apollo with a 4.3" capacitive-touch glass LCD color display supporting AM/FM, Bluetooth, Wi-Fi audio streaming, digital optical input, USB audio, UPnP, MTP, and SiriusXM Ready, along with two FUSION SG-C77W pair of 7.7" 280 watt coaxial classic marine speakers. The owner's cabin features one Samsung UN49RU8000 49" 4K Smart LED Super Ultra HDTV with HDR, one Bose Lifestyle 650 system with five-speaker surround Omni Jewel speakers, a wireless bass module and Sound-Touch, one Apple TV 4K (32GB) Apple TV 4K 32GB, and one BDP-S6700 4K upscaling Wi-Fi built-in Blu-ray player. The VIP cabin includes one Samsung QN43Q60RA 43" 4K Smart QLED Ultra HDTV with Q HDR, while the guest cabins are served by two Samsung UN32N5300 32" 1080p LED LCD TV, one HDTV. The captain cabin is outfitted with one Samsung UN32N5300 32" 1080p LED LCD TV, 16:9, HDTV measuring 28.9' W x 17.3' H x 3.1' D 1, one FUSION MS-RA770 Apollo with a 4.3" capacitive-touch glass LCD color display supporting AM/FM, Bluetooth, Wi-Fi audio streaming, digital optical input, USB audio, UPnP, MTP, and SiriusXM Ready, and one MS-CL602 6" two-way full range in-ceiling speakers. The crew cabin includes one Samsung LED TV. Up at the bow, guests enjoy one FUSION MS-SRX400 Apollo marine zone stereo with built-in Wi-Fi, AM/FM, Bluetooth, Apple AirPlay, Wi-Fi audio streaming, and UPnP, joined by one pair of FUSION SG-C65W 6.5" 230 watt speakers.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
