This stunning vessel, now available for purchase, boasts striking exterior aesthetics and a sophisticated hardtop roof with an optional central opening canopy. Designed to host eight guests and four crew members, it promises unparalleled luxury and comfort.

The yacht showcases Sunseeker's renowned 'Beach Club,' accessible via elegant dual staircases adorned with recessed LED lighting. Beneath lies an overhead rain shower and ample storage, including dedicated lockers for two SeaBobs. The extended swim platform is ideal for a tender, with an optional flybridge crane for a jet ski or similar watercraft.

The expansive flybridge of the 88 Yacht offers a remarkable layout with exquisitely crafted furniture on a generous aft deck. There's an option for an infinity spa bath with a sun pad, creating a perfect setting for entertaining. With plenty of seating, including companion seating near the helm and extended U-shaped seating opposite a feature wet bar equipped with an ice maker, grill, and two fridges or optional drawer-refrigeration, this area is designed for socializing. Fixed stools can transform it into a lively bar area. The spacious foredeck provides another private, social space with a Portuguese bridge, a large sunbathing area, and comfortable lounge seating, complemented by premium side decks as standard. The main deck is truly spectacular, featuring a large forward galley that enhances the open-plan entertainment space. Owners and crew will appreciate the ample practical storage, along with a dedicated fixed breakfast bar unit with two stools for informal dining. The galley includes a full-height premium fridge freezer and dishwasher as standard, with space for wine coolers.

The galley can be fully enclosed, allowing the crew to navigate the yacht discreetly, with access from the lower helm on the starboard side, offering

owners complete privacy. The interior radiates luxury, with innovative design elements that make the yacht stand out, such as diagonal stainless detailing on cabinetry and doors. The combination of textures and the mix of furnishings and fabrics create a timeless yet modern feel, with a variety of colors and finishes available. Sunseeker has positioned the grand master stateroom centrally, maximizing the yacht's substantial beam to enhance this private space.
