DETAILED DESCRIPTION

Playa

Delivered in 2018, PLAYA is a Lynx YXT 27 support yacht conceived to add serious capability, storage, and flexibility to a primary yacht while delivering a level of comfort rarely found in this category. With award winning exterior styling by Bernd Weel, she marries purpose built deck utility with a highly practical environment for both guests and crew, ensuring seamless operations alongside effortless enjoyment at sea. Built to full yacht standards, PLAYA features a spacious main lounge and sleeps up to four guests across two cabins, including a VIP. Her expansive aft deck and beach club style arrangement create a highly versatile platform for tenders, toys, vehicles, and adventure equipment, turning every passage into a launchpad for exploration. A dedicated gym, sauna, steam room, and hyperbaric wellness chamber further elevate the onboard experience for active owners focused on fitness, recovery, and overall wellbeing. Powered by twin Caterpillar engines, PLAYA delivers an outstanding support solution for owners seeking to expand the lifestyle, range, and capability of their wider yachting program.
