## OVERVIEW

---

Horizon E90. This entry presents a model specification for a new build and does not depict an actual hull offered for sale or at a fixed location. The E90 is an elegant luxury motor yacht that unites a performance-focused hull form with a refined, streamlined superstructure. The current design offers four ensuite staterooms plus crew accommodations for four within a versatile, multi-use arrangement. A generous main deck highlights an expansive country galley forward, while the upper deck showcases an enclosed wheelhouse/skylounge paired with a dinette, wet bar, Jacuzzi, and aft sunpads. Conceived for island-style living and blue-water cruising, the Horizon E90 raised-pilothouse flybridge yacht delivers supremely comfortable passage-making and the effortless sophistication expected of a contemporary superyacht.

# SPECIFICATIONS

---
