Introducing the Exquisite 2026 Luxury Yacht: A Masterpiece of Elegance and Performance

Step aboard this stunning 90-foot luxury yacht, a true marvel of modern engineering and design, currently available for sale in Brazil. With a build time of just 24 months, this vessel can be constructed at several prestigious yards around the globe, offering you the flexibility to customize your dream yacht to your exact specifications. Crafted from robust steel, this full-displacement yacht promises not only durability but also a smooth and stable cruising experience.

As you glide through the azure waters, the yacht's impressive cruise speed of 10 knots and maximum speed of 13 knots will ensure you reach your destination in style and comfort. With a generous fuel capacity of 9,800 gallons, you can embark on extended voyages without the worry of frequent refueling. The yacht also boasts a remarkable water capacity of 3,000 gallons, making it perfect for long journeys at sea.

Designed with luxury in mind, this yacht comfortably accommodates up to six guests in three elegantly appointed cabins, each designed by the renowned Luiz deBasto. The interior exudes sophistication, featuring high-end finishes and an inviting ambiance that makes every moment on board a pleasure. With a total of eight heads, including facilities for your crew, privacy and convenience are paramount.

For those who appreciate the finer things in life, this yacht offers two dedicated crew cabins with four berths, ensuring that your every need is catered to while you relax and enjoy the breathtaking views. The spacious deck, also crafted from steel, provides ample room for sunbathing, entertaining, or simply soaking in the beauty of your surroundings.

Whether you are looking to buy a yacht for personal enjoyment or as an

investment, this exquisite vessel stands out in the competitive yacht sales market.
