OVERVIEW

EXTRA 90 FAST

Factory fresh – unused

The X90 Fast stands as the most athletic and compact expression of the revitalized EXTRA line, a luxury motor yacht that distills hard-won know-how from the acclaimed 76, 86, 88 and 99 into a new release. Purposefully conceived as a performance sport yacht, it blends nimble handling with the brand's signature generosity of space and light.

The arrangement is proven and highly efficient: an expansive main salon flows seamlessly, divided from the aft cockpit by the signature galley with up/down windows. This galley not only delineates the zones, it also becomes a thoroughfare and access hub; from here, the crew proceed to their quarters forward of the engine room, and a secondary route to the sun deck is found here as well (also reachable via the side deck). This configuration keeps the forward lounge and helm station free of through-traffic, preserving privacy and, when desired, reserving these areas exclusively for guests. It is an elegant solution that elevates onboard circulation while maintaining the relaxed sophistication expected of a contemporary superyacht.

Open-air living is the star attraction, with an impressive 86 square metres of exterior lounges and terraces designed for owners who cherish immersion in the sea and surroundings. The profile is crisp and streamlined, enhanced by sleek hull-side sliding windows that emphasize the yacht's dynamic character. Below, four double cabins with en-suite bathrooms ensure refined comfort, highlighted by a full-beam owner's suite amidships that capitalizes on the generous 7.1-metre maximum beam. Accommodation for a professional crew of four is set across two cabins, each with private facilities, underscoring the yacht's suitability for extended cruising.

Triple IPS 1350 Volvo Penta units, 1,000 hp each, deliver the punch behind this performance yacht, granting a top speed of 29 knots and an effortless 23 knot cruising pace. At an economical 12 knots, range stretches to 800 nautical miles, making this planing superyacht a captivating Mediterranean cruiser with true long weekend autonomy.
