OVERVIEW

The Filippetti F90 is a contemporary flybridge yacht that seamlessly blends sophisticated design, cutting-edge technology, and spacious living areas, providing a luxurious yet intimate connection with the ocean. Conceived in partnership with renowned designer Fulvio De Simoni, this new-build opportunity is perfect for those looking to buy a yacht that emphasizes opulence, performance, and personalization.

Designed with a seamless flow between indoor and outdoor areas, the F90 boasts a layout that stretches effortlessly from stern to bow, creating a cohesive space where the sea is always within reach. This yacht for sale includes four guest cabins and four bathrooms, offering ample accommodation for family and friends. Two crew cabins with two crew bathrooms ensure professional service and smooth operations on board. Every detail is meticulously crafted, with hand-finished materials, premium fittings, and exquisite craftsmanship defining the interiors, while the exterior decks provide versatile spaces for relaxation, dining, and entertainment.

Equipped with MAN marine engines, the F90 is engineered for quiet, stable, and high-performance cruising in diverse conditions. The yacht incorporates Filippetti's Dynamic Speed solution, designed to enhance fuel efficiency and environmental performance without compromising speed or maneuverability.

As with all Filippetti yachts, the F90 is fully customizable, allowing owners to collaborate directly with the shipyard to tailor every aspect of the yacht, from layout to materials, to reflect their personal vision. The result is a vessel that offers a perfect blend of form, function, and freedom, making the Filippetti F90 a compelling choice for those seeking superior design and on-the-water excellence. Explore yacht sales in the current boat location and discover the allure of owning this exceptional yacht.
