OVERVIEW

Step aboard Funky Town, a 2009 Canados 90 that marries Italian flair with adrenaline-inspiring speed. Lying in Ibiza, Spain and offered for sale, this yacht was constructed to RINA standards and showcases the celebrated craftsmanship of Canados in every line and finish. Designed for owners who desire both refinement and performance, Funky Town delivers thrilling high-speed capability while maintaining an elegant, composed presence on the water.

Stability and comfort have been thoughtfully engineered: a Seakeeper gyroscopic stabilizer was installed in 2022 to ensure calm passages in a variety of conditions, and a comprehensive Furuno navigation suite provides precise, reliable guidance for secure cruising. The interior unfolds in a generous four-cabin configuration, including a sumptuous master suite that offers private, luxurious accommodation for extended voyages.

The fully equipped galley is appointed with premium Gaggenau appliances, ideal for preparing fine meals when entertaining guests or enjoying quiet evenings at anchor. Sound is handled by a top-tier Void audio system, delivering exceptional acoustic quality throughout the yacht. Meticulous maintenance and robust systems underline Funky Town's readiness to perform.

Combining iconic Canados build quality, modern stabilization and navigation technology, and high-end interior appointments, Funky Town is a compelling choice for buyers seeking a dynamic, elegant Canados 90. Explore yacht sales in the vessel's current location and take the opportunity to make this extraordinary yacht your own.
