OVERVIEW

Rosa stands out as one of the rare Explorer Yachts of her size, featuring an expansive master stateroom located just behind the wheelhouse, complete with a private deck, while all guest cabins are conveniently situated on the main deck. This remarkable vessel has successfully navigated over 50,000 nautical miles, accommodating five Owners and their families on journeys from the Mediterranean to New Zealand and back to the West Coast. With an impressive range of over 5,000 miles, she operates efficiently at a fuel consumption rate of just 16 gallons per hour at a cruising speed of 9 knots, showcasing her seaworthiness and efficiency among her peers.

Constructed entirely of aluminum, Rosa is a purpose-built yacht that boasts significant volume. Her modern and spacious bridge offers a stunning 270-degree panoramic view. Equipped for serious adventure cruising and water activities, she includes a dive compressor with storage for 10 tanks and multiple kayaks, making her an ideal choice for fishing enthusiasts. The vessel is capable of producing over 2,000 gallons of fresh water daily and features an eco-friendly sewage treatment system.

ROSA is not only ruggedly constructed but also practical and visually appealing. Built to expedition standards by ABD in Vancouver, Canada, she is designed to ensure comfort and safety for her owner and guests, no matter where their travels may lead. The current owner has a profound appreciation for preventative maintenance, resulting in a meticulously maintained and well-equipped cruising yacht. This presents a unique opportunity for anyone looking to buy a yacht and embark on extraordinary adventures beyond the ordinary. Explore yacht sales in the current boat location and discover the potential of this exceptional vessel.
