# OVERVIEW

---

## Horizon FD90

Please be aware that this listing showcases a model specification for a new build and does not represent an actual hull available for purchase. For further details regarding this model and its build availability, please reach out to us.

The stunning Horizon FD90 evolves from the striking FD87, preserving many of its distinctive characteristics, such as the generous 23'3" beam, a luxurious on-deck Master suite, four guest staterooms, and two crew cabins located below deck. The salon is adorned with breathtaking floor-to-ceiling windows that invite natural light. Unlike the raised pilothouse of the FD87, the FD90 features a fully open or enclosed bridge with a walk-around design, ensuring seamless access between the boat deck and the forward seating areas on the port side. Additionally, the FD90 includes a spacious beach club and swim platform at the stern, providing an ideal setting for relaxation by the water or engaging in exciting watersports. This exquisite yacht is available in both open and enclosed (Skyline) bridge configurations.

Options include enclosed or open Flybridge and the choice of a Beach Club.
