OVERVIEW

Step aboard M/Y Miss Irisha and be enveloped by a refined synthesis of style, speed, and serenity. Built by Sunseeker International in 2006, this 28 metre GRP motor yacht flies the Maltese flag with VAT paid, her sleek contemporary lines hinting at the performance beneath. Driven by twin MTU 12V2000 M93 engines producing 1,800 HP each, she settles into a confident 22 knot cruise and can push to 27 knots when the mood for exhilaration takes hold, a true luxury motor yacht, performance yacht and flybridge superyacht all in one. Interior comfort is exquisitely appointed for nine guests in four beautifully finished cabins: a full beam master suite, two twin cabins (one fitted with a Pullman), and a VIP stateroom, while a professional crew of four delivers discreet, polished service for extended cruising. Al fresco living is celebrated throughout, with multiple sun lounges and a commanding flybridge offering sweeping sea vistas.

Her water toy inventory includes a Seadoo jet ski, a Seabob F5S, paddleboards, a wakeboard and snorkeling gear, and a Zodiac tender propelled by an 80 HP Yamaha engine ensures effortless beach landings and coastal exploration. Thoughtful domestic equipment — a fully outfitted galley, bridge deck pantry and complete laundry facilities — complements seakeeping systems such as ABT zero speed stabilizers, hydraulic bow and stern thrusters and an advanced navigation suite, all combining to deliver quiet comfort, precise handling and confident passages. Ideal as a family yacht or a premium charter platform, M/Y Miss Irisha marries luxury with performance to turn every voyage into a memorable affair.
