OVERVIEW

CLASSIC HIGH SEA ELEGANCE

If you desire a yacht that combines rare distinction with refined comfort, consider this splendid Fleur de Lys, a vessel that evokes the glamour of the golden age of yachting. Once owned by a celebrated English rock star, her long, elegant silhouette and graceful profile recall an era when boats were tailored for connoisseurs, and every line was an expression of taste.

More than mere beauty, she has been carefully renewed: a full refurbishment completed in 2017 restored hull, deck and superstructure to pristine condition, ensuring many more years of luxurious passage. On board, a fully functional kitchen allows for effortless provisioning and sophisticated living, while the overall fit and finish preserves the atmosphere of a true gentleman's yacht yet remains surprisingly accessible to discerning buyers.

Currently flying the UK flag, the vessel—also known by the name Harry Haller—is lying in her home port in Turkey, ready for inspection. Do not let this rare opportunity to own a piece of yachting heritage pass by; arrange a viewing to appreciate firsthand why Fleur de Lys so perfectly embodies classic maritime elegance and distinguished provenance. Whether your aim is immediate ownership or to explore yacht sales where the boat is currently located, this craft stands as an exceptional choice.
