OVERVIEW

Cutting through the waves with its elegant, streamlined silhouette, the PERI 29 motor yacht is a standout as the lightest and swiftest vessel in the Peri collection. This state-of-the-art beauty delivers exhilarating speed and remarkable maneuverability. Renowned as a premier family charter yacht in the Mediterranean, the PERI 29 underwent an extensive refit in 2022, ensuring it remains in immaculate condition and enhancing its allure for discerning charter guests.

The PERI 29 features expansive exterior and interior spaces, epitomizing a new standard of luxury that is both refined and inviting. Its broad teak-decked surfaces and generous flybridge provide stunning vistas of the sea. The award-winning modern interior showcases pearl grey leather, light-hued flooring, and elegant lighting fixtures.

This yacht for sale offers a 4-cabin configuration (including a Master suite, VIP suite, and two twin guest cabins), comfortably accommodating 8 overnight guests and up to 12 for cruising. Each cabin is equipped with entertainment systems, plasma TVs, and ensuite bathrooms. The open-plan saloon and dining area are adorned with large windows, providing panoramic views that are perfect for relaxation, gourmet dining, and social gatherings. The yacht is outfitted with air conditioning and Wi-Fi throughout.

The extensive deck spaces include a generous, sheltered aft deck ideal for al fresco dining and entertaining, along with a spacious flybridge featuring sunbathing areas, sun pads, a wet bar, and an outdoor dining area, all protected by a retractable Bimini top when necessary.
