## OVERVIEW

---

Engineered for bluewater range and steadfast comfort, TWILIGHT is a luxury motor yacht whose generous, artfully arranged interiors reveal a luminous full-beam saloon and an owner's suite with a private passage to the foredeck lounge. Sleeping up to ten across five cabins, this superyacht invites effortless relaxation. The expansive flybridge deck hosts a jacuzzi, bar and grill, while a chic beach club dissolves the boundary to the sea. Supplied with a Highfield tender, jetskis, Seabob and Fliteboard, this charter yacht is primed for both thrill and repose.

# DETAILED DESCRIPTION

## Twilight

Conceived for long range, stable cruising, TWILIGHT is a multihull motor yacht from Sunreef Yachts — the Sunreef 100 Power, hull 100 Power / 03 — delivered in 2025 with naval architecture, exterior and interior all by Sunreef Yachts, flying the Cayman Islands flag and classed by Bureau Veritas (RN500 Part B MGN280 (M)) to MCA commercial compliance; built with a GRP hull and superstructure with teak decks, she measures 28.63 m in length overall (93'11"), spans a commanding 13.50 m (44'3") of beam and draws 2.10 m (6'11") max, with GT 299 and an approximate displacement of 184 tons, operated by a crew of up to five and carrying MMSI number 319313400. Performance and engineering are anchored by twin 955 kW (1,281 Hp) MAN V8 diesels mounted on stainless steel shafts turning fixed pitch five blade propellers with rope cutters, delivering a maximum speed of 16.50 knots, an economical cruise at 12.00 knots, and a transoceanic economical speed of 10.00 knots that yields a range of 3,000 nm at ten knots; control and manoeuvrability are enhanced by hydraulic steering with Yacht Controller, a ZF Dynamic Positioning System (DPS) and a VFD hydraulic bowthruster. Her electrical architecture is robust and autonomous, featuring shore power at 63 A, 230 Vac, 50 Hz, a 119 kWh 25.6 Vdc lithium battery bank, Victron Skylla 24 V 100 A chargers and Victron Quattro 24 V 8,000 W 200 A converters, supported by two Kohler 28 kW (38 Hp) generators, while comfort systems comprise ultra efficient air conditioning rated at 350,000 BTU per hour, two watermakers producing 280 litres per hour each and a 24 V electric toilet system with fresh water flush. Capacities are generous for serious blue water cruising: 30,000 litres of fuel (7,925 US gallons), 2,500 litres of fresh water (660 US gallons), 1,600 litres of grey water (423 US gallons) and 800 litres of black

water (211 US gallons). Accommodation for up to ten guests in five cabins presents a principal master suite with private access to the bow terrace and four double guest cabins, while up to five crew are comfortably housed in three cabins comprising a captain's cabin and two crew cabins. Her navigation suite is comprehensive, specified with gyro and GPS compasses, a Reactor 40 autopilot with GHC 50 and GRF 10, GT56UHD™ 455/800/1,000 kHz side view sonar and Panoptix LVS32 Live Scope GLS10 forward view sonar, a GWind wired wind sensor, GMR Fantom 54 radar, AIS 800 Class B transceiver, MSC GPS receiver, four 24 inch Garmin GPSMAP chart plotters and a USB outlet on the salon helm station for laptop connection for weather forecasting (NAVTEX function), complemented by an Airmar DST 810 smart transducer log and five GC 200 Marine IP cameras; communications include Starlink pre wiring, a worldwide 4G/5G antenna and Wi-Fi throughout, Cobham Sailor 250 Fleetbroadband SATCOM and a Garmin 315i VHF with GHS 11i remote operating via a Glomex PRA110 international antenna. Deck equipment is specified for effortless handling and safety with four Quick TB6 2,300 W 24 V inox capstans and two RY6 4,000 W 230 Vac anchor windlasses managing ground tackle comprising one Ultra Marine 200 kg VHHP anchor, one Lewmar 227 kg CQR and one Ultramarine 40 kg emergency anchor, chain arrangements of 120 m of 16 mm SL3 studless, 120 m of 16 mm SL2 studless and 100 m of 14 mm emergency, a hydraulic passerelle and side boarding ladder and hydraulic platforms rated to 1,200 kg; leisure features include an expansive flybridge with a jacuzzi for four, transparent canvas weather screens protecting the bow and wrapping the main deck cockpit with canvas provided for three sides and a tailored covers set for the navigation station and flybridge tables. Entertainment across the yacht is immersive, with an 85 inch widescreen LED TV in the salon paired with hi-fi audio, premium ceiling speakers and an active subwoofer, a 42 inch LED TV in the master cabin, four 32 inch LED TVs in the guest cabins and a 32 inch widescreen TV in the crew mess, while outdoors hi-fi audio energizes the cockpit, flybridge and front

terrace; culinary provision is comprehensive with a galley equipped with a Siemens refrigerator with freezer, two Vitrifrigo fridge freezers, a dishwasher, two electric ovens, an electric stove cooker, electric hood, microwave and coffee machine, a salon service area with Siemens refrigerator with freezer, dishwasher, coffee machine, two Vitrifrigo fridge freezers, two Vitrifrigo ice makers, a Liebherr wine cooler and a Grohe sparkling water faucet, and external bar modules including two Vitrifrigo ice makers, two Vitrifrigo fridges and two custom XL bar modules, one configured as a bespoke BBQ with two Kenyon electric grills and a full lid, with laundry facilities provided by Siemens washer and dryer. Safety and security are exhaustive, with life rafts for sixteen people, an EPIRB, a CCTV system with video recorder and four TB storage, automatic fire extinguishing in the engine rooms and battery rooms and full portable LSA; the beach club flows seamlessly to the water and the toy garage is complete with a Highfield SP520 tender with Yamaha F100 LB, two Yamaha VX Cruiser HO Audio jetskis, a Fliteboard eFoil (black), a Seabob F5 (red), assorted inflatable towable toys and a diving compressor delivering 100 litres per minute at 90–330 bar with diving bottles and holders. True to her name, TWILIGHT elevates every horizon, delivering exceptional on board living across a full 572 sqm of spaces wrapped in a stunning beach house interior design and a full metallic exterior paint; as the new Sunreef Power 100, hull three, supplied with owner specified options and built to MCA commercial compliance, she combines a bright full beam salon, a master with private bow terrace access, a flybridge with jacuzzi, bar and barbecue, and an impressive beach club, and with the included Highfield tender, jetskis, Seabob and Fliteboard TWILIGHT is perfectly set for adventure and leisure in equal measure.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
