OVERVIEW

Launched in 2018, the Monte Carlo Yachts 96, known as VIVALDI, is a 96-foot superyacht that exemplifies the Italian yard's flagship lineage, marrying the timeless Nuvolari Lenard design language with invigorating performance and lavish living spaces. She accommodates up to 12 guests in five beautifully appointed staterooms and offers expansive indoor and outdoor social areas, highlighted by a sweeping flybridge outfitted with an open-air galley. Propelled by twin MTU engines each rated at 2,200 hp, VIVALDI settles into a confident 24-knot cruise while fin stabilizers ensure exceptional onboard comfort. Her exterior features fold-out hydraulic balconies and she carries a superb inventory of water toys for on-water enjoyment. Fastidiously maintained with annual servicing, supported by a comprehensive five-year survey completed in 2024 and a suite of recent upgrades, VIVALDI presents as a true turnkey flybridge motor yacht—an enticing option for discerning private ownership or a premier platform for luxury charter operations.

DETAILED DESCRIPTION

Mcy96

The 2018 Monte Carlo Yachts 96 VIVALDI exemplifies the shipyard's flagship lineage, marrying Nuvolari Lenard's timeless exterior lines with commanding performance and sumptuous interiors that accommodate up to 12 guests across five exquisitely finished cabins. Driven by twin 2,200 HP MTU engines, she maintains a comfortable cruising speed of 24 knots while delivering effortless handling, aided by fin stabilizers that ensure serenity both underway and at anchor. Designed for refined entertaining, VIVALDI offers expansive interior salons and al fresco living, highlighted by a generous flybridge complete with an outdoor galley and the convenience of hydraulic balconies to extend living spaces to the sea. Carefully cared for with annual servicing, a completed five year survey in 2024 and numerous recent upgrades, she is presented as a turnkey proposition ideally suited to private ownership or high end charter programs, and is offered with an outstanding selection of water toys.
