OVERVIEW

Step aboard a 2022 creation that embodies refined luxury and commanding performance, presently moored in the scenic waters of France. This exquisite yacht, measuring 95 feet overall with a generous 22-foot beam, is an invitation to discerning owners who prize both elegance and capability.

Her hull, fashioned from fiberglass and plastic, slips through the sea with poise, driven by twin MTU inboard diesel engines that deliver confident, smooth power. She cruises comfortably at 24 knots and can accelerate to an exhilarating maximum speed of 28 knots, making passage swift whether you trace the Mediterranean coast or venture farther afield.

Below deck the environment is a calm, sophisticated retreat, arranged to anticipate every need. Two crew cabins ensure attentive service and seamless operation of the vessel, while expansive living spaces offer privacy and conviviality in equal measure. The deck, crafted from durable fiberglass, provides an ideal stage for sunlit lounging, elegant entertaining, or simply savoring panoramic seascapes.

Provisioned for extended voyages, she carries a substantial fuel capacity of 2,734 gallons and a fresh water capacity of 396 gallons, enabling long-range cruising with confidence. Her gross tonnage of 100 pounds contributes to a steady, comfortable ride even when conditions grow demanding.

This yacht for sale is more than transportation; it is a lifestyle statement, an opportunity to own a vessel that harmonizes performance, comfort, and tasteful design. Whether you seek a secluded sanctuary or a platform for memorable gatherings, this 2022 masterpiece stands ready to carry you into a world of luxury and adventure.

DETAILED DESCRIPTION

2022 Sanlorenzo SL96A

This beautiful 2022 Sanlorenzo SL96A is offered in pristine condition, presenting a compelling opportunity for those seeking a 29-metre motor yacht that unites performance, comfort, and refined Italian design. The SL96A's asymmetric main-deck layout maximizes interior volume and floods the living spaces with natural light, while lending the exterior a sleek, balanced profile that remains unmistakably Sanlorenzo. Powered by twin MTU 16V2000M86 diesel engines rated at 2,216 HP each, with V-drive transmission and NiBrAl propellers turning on Aquamet 17 shafts, she achieves a top speed of approximately 28 knots and a comfortably efficient cruising speed around 24 knots. A fuel capacity of 10,350 L supports both fast Mediterranean hops and extended coastal cruising, combining spirited performance with practical range. Onboard, accommodation is provided for up to eight guests in four elegantly appointed cabins, complemented by two crew cabins for four crew. A rich standard specification together with an extensive list of options and upgrades on this unit elevates comfort and convenience, delivering true turnkey readiness from day one. Her build features a GRP hull and superstructure with full teak decks, while interior and exterior styling by Zuccon International Project ensures a harmonious continuity of lines and finishes throughout. For discerning owners seeking a contemporary, high-performance flybridge yacht that blends space, speed, and luxury, this SL96A is poised to enter service immediately.
