DETAILED DESCRIPTION

Description

The Sunseeker 95 Yacht's stunning lines and unique layout exemplify Sunseeker's cutting-edge design and innovative build processes, blending the poise and presence of a superyacht with all the practical advantages expected of a motor yacht in this size category. A standout innovation is the main deck arrangement, where a special master cabin configuration unlocks flexibility and space usually reserved for a class above. With the luxurious master stateroom on the main deck, a forward staircase flows to a mid-level dressing area and a sumptuous en-suite, while the raised pilot house liberates additional volume, contributing to a more expansive, remarkably open main deck. The 95 is designed for unforgettable family entertaining, featuring two full-beam Master Cabins, a flybridge jacuzzi, a bar, and three spectacular dining areas. Performance is equally impressive, with MTU power delivering nearly 4000 horsepower and a deep V hull design that inspires confidence and comfort at speed. Miracle's shallow draft invites effortless cruising across the Bahamas in complete luxury, and her inherent stability makes the crossing comfortable. Perfect for family, charter, or both, she shows exactly why the 95 remains one of the most popular models Sunseeker has ever produced.

Key features

Confidence and convenience are engineered into every detail, starting with extended MTU engine warranties, at-anchor fin stabilization, and a robust electrical backbone supported by three generators and an Atlas power converter. Precision handling is enhanced by Yacht Controller, a stern docking station,
