OVERVIEW

Step aboard the Pearl 100 Hybrid, a 30-meter raised-pilothouse superyacht and luxury motor yacht that artfully marries opulence, performance, and next-generation innovation. Envisioned by Dixon Yacht Design with interiors by Kelly Hoppen, she is powered by a parallel hybrid propulsion setup that allows whisper-quiet nights at anchor, reduced fuel burn, and cleaner, more sustainable cruising. Accommodation spans five guest staterooms, including two full-beam master suites, plus an on-deck owner's retreat with a private terrace, complemented by expansive social spaces for sophisticated entertaining. Indulge in a beach-club-style aft cockpit with fold-down bulwarks, a garage for the tender and water toys, and dual stabilization for supreme comfort both underway and at anchor. Fully outfitted with a Garmin navigation suite and Control4 smart-yacht integration, the Pearl 100 delivers a seamless union of intelligent technology, elegant design, and effortless bluewater cruising.

DETAILED DESCRIPTION

Highlights

Classed to RINA Classification Pleasure Type A for hull and machinery, this yacht combines an advanced E-Motion hybrid system with twin MAN 2000 engines to deliver refined performance and efficiency. The Raised Pilot House configuration elevates command and comfort, while five guest cabins—comprising two master suites, a large forward VIP, and two twin cabins—offer exceptional flexibility. The main deck master suite benefits from direct access to the foredeck, complemented by a spacious flybridge with its own direct foredeck connection for effortless indoor-outdoor flow. Crew are accommodated for four or five with direct engine room access to ensure discreet, professional service. A versatile garage carries a Williams 445DJ and a Sea-Doo Spark, and the expansive aft cockpit with fold-out wings enhances open-air living. Interior design by Kelly Hoppen Interiors with a choice of styles harmonizes with exterior design and naval architecture by Dixon Yacht Design for a yacht that is as elegant as it is capable.

Interior and accommodations

Crafted for effortless living and impeccable service, the interior offers five guest cabins arranged for supreme privacy and flexibility: an on-deck full-beam owner's suite with a private terrace, a second full-beam master suite below, a forward VIP, and two convertible twin guest cabins with optional Pullmans, all with en-suite bathrooms. Day-to-day convenience is elevated by a main-deck day head, an open-plan saloon with side-opening patio doors that blur the line between inside and out, and dining for ten complemented by a full bar. The galley can be specified enclosed and is fitted with Miele appliances, while optional underfloor heating in the bathrooms and tropical air conditioning

available up to 40°C with a 45°C upgrade ensure year-round comfort. A central vacuum system adds practical ease. Crew are accommodated for four to five, supported by a dedicated crew mess and a separate captain's cabin, ensuring discreet, professional service throughout.

Navigation and electronics

Command with a comprehensive Garmin navigation suite anchored by six Garmin GPSMAP 9022/8416 multifunction displays, a Garmin Fantom 54 radar, and an AIS 800 transceiver, all orchestrated by a Garmin Reactor autopilot pack for confident course keeping. Multiple Garmin cameras provide vigilant situational awareness, complemented by an optional FLIR thermal camera for enhanced night vision. Dual helm stations in the raised pilothouse and on the flybridge give the captain flexible control, while a Control4 integrated vessel control system unifies onboard functions. The yacht is pre-wired and ready for Starlink, ensuring next-generation connectivity.

Stabilization and handling are entrusted to CMC Marine HS60 fin stabilizers working in concert with a Seakeeper SK40 gyro stabilizer and Humphree/CMC interceptors, delivering a composed ride across a range of conditions. Precision maneuvering comes effortlessly with bow and stern thrusters.

Deck and exterior

Teak decks flow seamlessly throughout, leading to a beach-club style aft cockpit whose fold-down side wings expand the waterside lounge. A hydraulic hi-lo swim platform rated to 750 kg streamlines sea access and toy handling, complemented by a dedicated tender and Jet Ski garage with an integrated launch system. Forward, a serene foredeck lounge combines generous sunpads with an inviting dining area for effortless alfresco moments. Above, the flybridge is crowned by a hardtop with a tilt-and-slide sunroof, pairing a

fully appointed wet bar with dining for 10 and offering the option to add a hot tub and wellness area for elevated relaxation. An Opacmare hydraulic passerelle ensures elegant, secure boarding in every harbor.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
