OVERVIEW

2021 San Lorenzo SD96 'Don't Tell Mom'

Step aboard this exquisite yacht, where the interiors exude warmth and charm, seamlessly blending modern elegance with sophistication. The main deck features a spacious principal living area that can effortlessly transform into a dining space for ten, with a cleverly concealed table nestled within a stylish bench in front of the plush sofa.

A striking central staircase serves as a captivating focal point, connecting the three decks while elegantly dividing spaces with a chic metal mesh screen. Ascend to the upper deck, where the Sky Lounge awaits, boasting fully opening windows that allow for a versatile living room, dining area, or cinema experience, all thanks to its modular furniture design.

The flybridge offers an inviting lounge or outdoor dining option, complete with a coffee table that can easily convert into a dining table for al fresco meals. The theme of adaptability continues on the lower deck, where the living area can be transformed into a VIP cabin with an en-suite bathroom by simply closing a series of sliding panels.

This level also houses two guest cabins, while the owner's suite, located on the main deck, is notably more spacious than those found on comparable yachts. Large windows in the owner's cabin create a harmonious connection with the surrounding seascape.

'Don't Tell Mom' is a uniquely customized yacht, featuring meticulously chosen details by a seasoned yachting enthusiast. Among its standout attributes is an upgraded AV system, including a KVH HD7 SAT TV and a robust 4G Wi-Fi hotspot.

The yacht's exterior is adorned with beautiful teak decking, a sun awning for the aft upper deck, enhanced skylounge side doors replacing standard fixed glass, and a sliding bulwark on the starboard side. Additional upgrades include

a portable MTU control station and an extra wing station equipped with engine throttles and a bow thruster.

Currently available for yacht sales in Fort Lauderdale, Florida from November to April, and in New York City from May to October, 'Don't Tell Mom' is the perfect opportunity for those looking to buy a yacht that embodies luxury and versatility.
