## Horizon FD97

This description reflects a model specification for a new construction and does not depict an existing yacht for sale or a specific location. For details on this model and current build opportunities, please consult Horizon Yacht USA.

Available as a Skyline or optional Tri-Deck luxury motor yacht, the FD97 presents five staterooms, anchored by a full-beam owner's suite on the main deck. The Tri-Deck arrangement introduces a lightweight open flybridge with helm and seating set above the bridge deck, which includes a forward pilothouse, an interior skylounge with dayhead, a bar, and an aft Jacuzzi. The Skyline configuration features an expansive wheelhouse with an enclosed skylounge aft, complemented by generous exterior deck spaces for entertaining. Designed as a contemporary superyacht for effortless cruising, the FD97 also offers comfortable crew quarters for four aft together with a fully outfitted beach club/garage.
