OVERVIEW

CHAOS is a graceful 30m (98ft) Sunseeker motor yacht, launched in 2010 and rejuvenated by a full refit in 2020. AMSA surveyed and certified to sleep 10 guests and to host up to 36 for day cruising, she combines polished lines and generous living areas, perfectly suited to families, private celebrations or corporate yacht charters. Inside, a calming scheme of pale, soft neutrals creates a refined, residential atmosphere while expansive salon windows draw in daylight and frame sweeping ocean panoramas. The main salon, arranged for relaxation, offers sumptuous seating and a large-screen TV, with an adjoining dining area that accommodates up to 8 for intimate meals. CHAOS presents itself as a distinguished choice for superyacht charter and luxury motor yacht experiences, marrying style, comfort and performance with effortless balance.

Her accommodation plan sleeps 10 guests across five sumptuous staterooms, led by a full-beam master suite on the main deck featuring an oversized ensuite and extensive wardrobe space. The lower deck houses two VIP queen cabins and two twin cabins fitted with Pullman berths, the latter an ideal solution for children. The sun deck/flybridge is designed for all-weather enjoyment with a retractable sunroof, a dining arrangement for 12, a professional bar, a concealed large-screen TV and ample open-air entertaining space. Over recent seasons CHAOS has earned an outstanding charter reputation on Sydney Harbour, sought after for day charters, events and longer cruising, and is managed by an exceptional team and operated by a dedicated full-time crew, maintained to impeccable standards.
