DETAILED DESCRIPTION

Overview

Amer 100 seamlessly marries elegance with comfort, presented in excellent condition with low engine hours under a single private owner and used exclusively for personal cruising. Measuring 29 meters, she offers expansive interiors and sun-drenched exterior spaces; a luminous main salon flows into a fully equipped galley, while bespoke décor can be tailored to the owner's tastes and preferences. Accommodation is for 8 guests in 4 cabins: a spacious forward owner's suite on the main deck, and on the lower deck two VIP double cabins and one twin cabin with flat berths, each with its own ensuite bathroom. At the extreme fore, the crew quarters are thoughtfully arranged with 3 cabins for 4 crew members, ensuring discreet and efficient service. Power is delivered by 4 Volvo Penta engines with IPS transmission for agile, efficient handling, complemented by Humphree fin stabilizers and a Gyro Seakeeper 26 for exceptional comfort underway and at anchor. A third helm station enhances maneuverability, assisted by a bow thruster, while Fisher Panda generators provide dependable onboard power. Practical touches such as a tender garage and a comprehensive equipment inventory make this Amer 100 truly turn-key and ready to cruise.
