OVERVIEW

Moon 100 Power Available | Exquisite 30m Power Catamaran

Are you in the market for a top-tier luxury power catamaran? The Moon 100 Power is a state-of-the-art 30-meter motor yacht that combines vast space, superior performance, and remarkable efficiency. Perfect for both personal use and commercial charters, this next-generation power catamaran is ideal for extended voyages in absolute luxury.

Highlights of the Moon 100 Power

Length: 30 meters | Beam: 13.7 meters

Twin diesel engines: 2×500 HP up to 2×1,200 HP

Max speed: 18 knots | Cruising speed: 12 knots

Transoceanic range with a substantial fuel capacity (up to 24,000 L)

Fully customizable interiors with various layout options

Master suite with hydraulic balcony (optional)

Flybridge with jacuzzi & bar

Beach Club & swim platform with tender & toy garage

Stable & fuel-efficient catamaran hull design

Unparalleled Space and Elegance

The Moon 100 Power boasts unmatched spaciousness in its category, thanks to its broad 13.7m beam. Owners can collaborate with the shipyard to tailor the interior to their unique tastes—from the main saloon to the cabins, materials, and finishes.

The standout master suite features an optional hydraulic balcony, offering a seamless connection to the ocean. The flybridge serves as a complete social and entertainment hub with sweeping views, a jacuzzi, and a bar—perfect for hosting guests or enjoying solitude.

Crafted for Long-Distance Exploration

Designed for blue-water journeys, the Moon 100 Power offers outstanding fuel efficiency and range, making it an excellent choice for transoceanic travel or prolonged cruising.

Perfect for Private or Charter Use

Whether you're looking for a private luxury yacht or a premium crewed charter catamaran, the Moon 100 Power is a compelling investment. Its spacious layout, expansive outdoor areas, and low fuel consumption make it a highly desirable option in the luxury charter market.

Available for new build—delivery slots open.
