## OVERVIEW

---

A contemporary manifestation of seafaring refinement, this 2019, 98-foot luxury motor yacht marries the presence of a true superyacht with the adaptability of a modern cruising vessel. Lying in Cyprus and fashioned from advanced fiberglass/GRP composite, she presents refined lines and assured performance, creating a welcoming sanctuary for family retreats, elegant entertaining, or high-end charter operations.

Her motion through the water is governed by twin MTU inboard diesel engines, which provide spirited acceleration and a composed, stable ride; she cruises comfortably at 17 knots and can reach speeds up to 24 knots when called upon. The efficient composite hull, combined with a generous 3,830.5-gallon fuel capacity, encourages extended passages between destinations, while a 422.68-gallon freshwater reserve supports prolonged stays at anchor. These attributes produce a performance motor yacht that moves effortlessly and quietly between islands and coastlines.

Life aboard is defined by light, space, and a thoughtful arrangement that separates social and private realms. Up to 10 guests are accommodated in serene staterooms, complemented by six beautifully finished heads that ensure privacy and comfort. The principal living areas are conceived for relaxed conversation and elevated dining, supported by a well-appointed galley and meticulously executed joinery that together create an atmosphere both sophisticated and warmly inviting.

Outdoor living is equally considered, with expansive GRP decks offering numerous options for lounging, alfresco dining, and leisurely afternoons. Morning swims flow naturally into sunset cocktails across broad, open spaces. Professional service is provided from dedicated crew quarters for up to six crew across three cabins, discreetly positioned for attentive, around-the-clock care. With robust systems, reliable MTU power, and a smart internal layout,

ownership is confident and low-stress. For buyers seeking a motor yacht with genuine superyacht presence—equally suited as a private family cruiser or a premium charter—this fiberglass/GRP inboard-diesel vessel in Cyprus represents a compelling opportunity, ready for inspection and the next chapter of extraordinary cruising.

## Extra details

---

M/Y NADIRA stands as the finest and best equipped example of the celebrated Princess 30M, specified with the largest MTU engine option, a custom metallic hull colour, and a bespoke interior that turns every moment onboard into pure delight. Her upgraded, customised Poltrona Frau furniture elevates a versatile layout that flows effortlessly from a welcoming beach club to an expansive flybridge featuring a bar, sun loungers, sumptuous sofas, a dedicated dining area, and more. Cherished by one owner from new and maintained by a professional crew, she has always been strictly private and never chartered; she offers five cabins, has VAT paid, and benefits from an MTU extended warranty valid through June 2026. An ASEAS converter broadens her horizons still further, ensuring seamless compatibility across U.S. and European territories.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
