OVERVIEW

LADY AMANDA glides through the water as a sleek 30 m luxury motor yacht, launched in 2006 by Couach and distinguished by a deep-blue Kevlar hull and an interior by Franck Reynaud. Conceived for both pace and comfort, this fast superyacht maintains a cruising speed of 26 knots and can reach 30 knots, offering superb seakeeping and an exceptionally smooth ride.

Accommodating up to 10 guests, she presents four elegantly appointed cabins: a full-beam master suite, a VIP stateroom, and two convertible double/twin cabins equipped with Pullman berths. A professional crew of up to four attends to every need with discreet, attentive service to ensure a flawless charter.

The salon exudes refined warmth with rich wood flooring, supple leather seating and expansive windows that bathe the interior in natural light.

Contemporary conveniences — including air conditioning, high speed Wi-Fi and a retractable flat-screen TV — harmonize with an open-plan dining area that invites relaxed entertaining and convivial gatherings.

Life outdoors is equally alluring: a shaded aft deck set for alfresco meals, a foredeck sunpad perfect for languid anchorage days, and a generous flybridge fitted with a wet bar, Spa Pool/Jacuzzi and ample seating for socializing. An extended swim platform provides effortless access to the sea and to a selection of water toys, ideal for family-friendly adventures.

Marrying elegance, dynamic performance and pure relaxation, this flybridge superyacht promises an unforgettable charter — the consummate choice for those seeking a premium motor yacht, a performance yacht and a luxury charter yacht experience.
