## OVERVIEW

---

EBYSHINE is a captivating 30m (98.4ft) luxury motor yacht launched in 2023 by Turkish builder Blaundus. As hull #02 of the B30 Series, she showcases exterior lines and naval architecture by Unique Yacht Design, while her interiors are tailor-made by Blaundus Yachts. Boasting a substantial 219 GT, she delivers remarkable internal volume for her length, raising the bar in the 30-metre superyacht category.

Conceived for effortless indoor-outdoor living, EBYSHINE presents sweeping deck areas perfect for relaxation and entertaining. Al fresco dining spans three decks, and the main-deck master suite enjoys a private fold-down balcony. A fold-out beach club opens to form a generous 22 m<sup>2</sup> waterside terrace, creating an inviting lounge right at the sea's edge.

Inside, her contemporary, light-filled aesthetic reveals a spacious salon, a refined dining space, and a fully appointed bar. Accommodation welcomes up to 10 guests across five sumptuous cabins, including two master suites—one full-beam forward on the main deck and another on the upper deck—together with a full-beam VIP and two twin cabins on the lower deck.

Driven by twin MAN 1,300 hp engines, EBYSHINE attains a top speed of 13.5 knots and cruises smoothly at 10 knots, offering an impressive range exceeding 4,000 nautical miles. CMC zero-speed stabilisers elevate comfort both underway and at anchor, and she holds RINA classification for short-range charter.

Expansive glazing throughout frames panoramic vistas and bathes the interior in natural light, making EBYSHINE an outstanding choice for long-range cruising in absolute comfort, elegance, and style.
