## OVERVIEW

---

EBYSHINE is a beguiling 30 m (98.4 ft) luxury motor yacht, launched in 2023 by the Turkish shipyard Blaundus. As hull number two of the B30 Series, she marries exterior lines and naval architecture by Unique Yacht Design with tailor-made interiors from Blaundus Yachts. Registered at 219 GT, her generous internal volume is exceptional for a vessel of this 30-metre class, redefining expectations for superyachts in this size range.

Designed to blur the boundary between inside and out, EBYSHINE presents sweeping open deck spaces that invite leisurely lounging and lively entertaining. Al fresco dining is available on all three decks of this elegant tri-deck yacht, while the main-deck owner's suite benefits from a private fold-down balcony. A convertible beach club unfolds to form a spacious 22 m<sup>2</sup> sea-level terrace, creating a perfect sunbathing platform and an intimate waterside retreat.

Beneath the light-filled glazing, the contemporary interior palette is refined and airy, featuring a generous salon, a formal dining area and a fully equipped bar that together set a sophisticated tone. Accommodation is arranged for up to 10 guests across five sumptuous cabins: two master suites—one a full-beam owner's stateroom forward on the main deck and a second on the upper deck—joined by a full-beam VIP and two twin cabins on the lower deck. This considered arrangement makes her equally well suited as a family yacht, a charter vessel and a private long-range cruiser.

Propulsion comes from twin MAN engines, each producing 1,300 hp, yielding a top speed of 13.5 knots and an economical cruising speed of 10 knots, with an impressive range in excess of 4,000 nautical miles. CMC zero-speed stabilisers deliver superior comfort both underway and at anchor, and the yacht is RINA classed for short-range charter operations.

Expansive glazing bathes the interiors in natural light and frames far-reaching

views, underscoring EBYSHINE's character as a bluewater motor yacht crafted for extended cruising in absolute comfort and timeless style.
