## OVERVIEW

---

The AZIMUT LEONARDO 98 is a striking union of the raw exhilaration of an open yacht and the refined presence of a mega-yacht, its lines and character both daring and elegant. Bold in attitude and singular in spirit, she rejects the ordinary and is conceived for those who prize autonomy at sea, striking a harmonious equilibrium between a high-performance sport yacht and the sumptuous comfort of a flybridge vessel.

SIMONA promises spirited passages with a top speed of 28.5 knots and a comfortable cruising speed of 24 knots. Her propulsion was updated in 2011 with twin MTU 2000 M91 engines (2x MTU 2000 M91), and she has recorded only 400 engine hours. For sea-kind comfort this yacht is equipped with TRAC fin stabilizers, while the interior boasts a spacious full beam master cabin that amplifies her sense of luxury and sanctuary.

This exquisite yacht is currently offered for sale and represents an exceptional opportunity for buyers seeking a vessel in the current boat location. Explore the luxury yacht sales in the current boat location and seize the chance to own this stunning craft.
