OVERVIEW

OCEAN 1 has undergone a full interior renovation, emerging as a beautifully refreshed example of a 2008 Hargrave 98. This late-model motor yacht ranks among the finest available today, offering expansive living quarters and a charming country-style galley that make it exceptionally well suited for a family seeking both refined comfort and practical functionality while roaming the open water.

Propelled by robust CAT C32 engines, "Ocean 1" delivers thrilling performance that will impress even the most experienced mariners. Recent upgrades include state-of-the-art electronics, modern galley appliances, and elegant new interior flooring, leaving the yacht ready for immediate adventures while providing a perfect canvas for the next owner to impart personal touches or add further enhancements.

Investigate current yacht listings at the vessel's present location and take advantage of the chance to acquire a yacht that harmonizes sophistication with everyday usability.

DETAILED DESCRIPTION

Aft deck

The aft deck of this yacht is a testament to both luxury and functionality, featuring a beautifully crafted teak platform that exudes elegance and durability. For added convenience, there is a shower equipped with a handle, perfect for rinsing off after a swim. The Euro transom design includes stairs leading up to the cockpit, ensuring easy and safe access. Safety is paramount, with five sturdy guardrails supported by stanchions, providing peace of mind while on deck. The deck is also equipped with three cleats, offering secure mooring options. For those in need of power, the Glendinning shore power system is readily available. Storage is ample, with access points on both the port and starboard sides, allowing for efficient organization of your gear. Additionally, the aft deck provides access to the engine room, ensuring that maintenance and inspections are straightforward and hassle-free.

Cockpit

The cockpit of this yacht is a harmonious blend of style and practicality, featuring a teak deck that extends throughout, providing a warm and inviting atmosphere. Access to the swim platform is conveniently available from either the port or starboard side, ensuring ease of movement. Central to the cockpit is a teak dining table, complemented by aft seating that comfortably accommodates four to six guests, now adorned with new upholstery for added comfort and style. Additionally, there are four loose dining chairs, offering flexible seating arrangements for your guests. Boarding is made simple with hinged gates on both the port and starboard sides. For added security and peace of mind, the cockpit is equipped with two CCTV cameras. Entertainment is at your fingertips with a Samsung flatscreen TV and four speakers integrated

into the hardtop, providing an immersive audio experience. Access to the flybridge is facilitated by stairs located to port, while an emergency hatch to the engine room is conveniently positioned in front of the salon sliding door. The cockpit is also equipped with two cleats and two Maxwell 2000 winches with foot pedals, ensuring secure mooring and easy handling of lines. Storage is ample, with two lockers dedicated to line storage. For fishing enthusiasts, there are two rocket launchers designed for fishing rods. The starboard side hosts a well-appointed galley, complete with an ice maker, two Subzero fridges, a prep station, a sink, and a storage compartment, making it a perfect space for culinary endeavors while at sea.

Foredeck

The foredeck of this yacht is designed with both safety and relaxation in mind. It features a pantograph door to starboard, providing easy access and enhancing the overall functionality of the space. The non-skid deck ensures secure footing, even in wet conditions, making it a safe area for all onboard. At the heart of the foredeck is a Maxwell windlass, equipped with two-foot pedals, allowing for effortless anchor management. For those looking to soak up the sun, the bow sun-pad offers a comfortable spot with forward seating, perfect for lounging and enjoying the view. Storage and accessibility are well-considered, with a chain locker and hinged side gates on both the port and starboard sides, facilitating easy boarding and disembarking. The foredeck is also equipped with two cleats, ensuring secure mooring. An overhead handrail runs along the house side windows, providing additional safety and support. Furthermore, there are bow storage lockers on both the port and starboard sides, offering ample space for storing equipment and gear, keeping the deck tidy and organized.

Skylounge

The skylounge of this yacht is a perfect blend of comfort and modern amenities, designed to provide an exceptional onboard experience. The space is elegantly appointed with a synthetic teak floor, offering both durability and a touch of sophistication. Entertainment is at the forefront with a Samsung smart TV, ensuring guests can enjoy their favorite shows and movies in style. The lounge features a comfortable sofa that can accommodate four to five guests, making it an ideal spot for relaxation and socializing. Forward to starboard, the captain's desk is strategically positioned, providing a functional workspace with a commanding view. On the port side, the galley/bar is well-equipped with a wine cooler, prep station, and ample storage, catering to all your culinary and beverage needs. A day head is conveniently located aft to starboard, adding to the convenience of the space. The captain's chair offers a comfortable and commanding position for navigation and oversight. Access to the skylounge is enhanced by a sliding glass door, which not only provides easy entry but also allows natural light to flood the space, creating a bright and inviting atmosphere.

Skylounge electronics

The skylounge electronics suite on this yacht is equipped with state-of-the-art technology, ensuring a seamless and sophisticated navigation experience. At the heart of the system are two Raymarine Axiom 24" multifunction displays, providing comprehensive and intuitive control over all navigational functions. Enhancing situational awareness, the FLIR M300C thermal camera offers superior imaging capabilities, while the Raymarine RMK-10 remote and Raymarine Ray90 VHF radio ensure reliable communication and control. The Raymarine i70 color display delivers clear and vibrant data visualization, complemented by the CAT engine display for precise monitoring of engine

performance. The Naiad digital system integrates seamlessly with the yacht's controls, offering advanced stabilization and maneuverability. For enhanced visibility, the ACR searchlight and Exalto wiper control are essential features, ensuring clear sightlines in all weather conditions. The Naiad Marine Systems bow thruster provides precise handling and docking capabilities, while the Olympic 135 compass ensures accurate navigation. Entertainment is not overlooked, with a Fusion radio providing high-quality audio throughout the skylounge. This comprehensive suite of electronics ensures that every journey is as safe, efficient, and enjoyable as possible.

Sky lounge aft deck

The sky lounge aft deck of this yacht is a luxurious retreat designed for relaxation and entertainment. It features a beautifully crafted teak deck, complemented by a non-skid surface aft of the seating area, ensuring safety and elegance. At the heart of this space is a hot tub with jets, comfortably seating four to six guests, perfect for unwinding while enjoying the open sea views. Adjacent to the hot tub are three bar stool seats, creating a convivial atmosphere for socializing. The galley on the aft deck is equipped with a Kenyon grill, ice maker, ample storage, and a prep station, making it ideal for outdoor dining and entertaining. The U-shaped seating arrangement, accompanied by two side-by-side coffee tables, offers a cozy and inviting space for guests to gather and relax. Access to the cockpit is conveniently provided by stairs to port, ensuring seamless movement throughout the yacht. The non-skid aft deck enhances safety, while the Quick Lift davit adds functionality, allowing for easy handling of tenders and water toys. This sky lounge aft deck is a perfect blend of luxury and practicality, offering an exceptional space for both relaxation and entertainment on the water.

Salon

The salon of this yacht is a masterpiece of modern design and comfort, offering a welcoming and luxurious space for relaxation and entertainment. Entering through the salon sliding glass door, you are greeted by large hull side windows that flood the area with natural light, highlighting the new white oak floor and fresh headliners. The centerpiece of the salon is an L-shaped sectional couch, providing ample seating for guests to unwind. Complementing this is a stylish glass wood coffee table, adding a touch of elegance to the space. To starboard, two suede blue chairs offer additional seating, perfectly positioned for viewing the Samsung smart TV, which provides endless entertainment options. The wet bar, also to starboard, is a focal point of the salon, featuring a marble countertop, four bar stools, a sink, a prep station, a storage compartment, and a Subzero fridge, making it ideal for hosting and serving drinks. Forward to port, the dining area boasts a table with seating for eight to ten guests, perfect for formal dining experiences. A china buffet cabinet with a mirror adds both functionality and style, providing storage and a touch of sophistication. For easy access to the sky lounge, stairs are conveniently located to starboard, while a day head offers additional convenience. The salon also features sliding pocket doors forward to starboard, leading to the galley, ensuring a seamless flow between spaces. This salon is a perfect blend of style, comfort, and functionality, making it an ideal setting for both relaxation and entertaining on the water.

Galley

The galley of this yacht is a culinary haven, thoughtfully designed to cater to both casual and gourmet cooking needs. At its center is a striking island with a marble countertop, accompanied by two bar stools, creating a perfect spot for casual dining or socializing while meals are prepared. The galley is equipped

with a new Samsung three-door French door refrigerator, featuring a dual auto ice maker, ensuring ample storage and convenience for all your refrigeration needs. Cooking appliances are state-of-the-art, with a new Samsung 30" electric cooktop and a Samsung 30" single wall oven with steam cook capabilities, offering versatility for any culinary endeavor. The GE universal 15" built-in compactor and Fisher and Paykel dishwasher add to the functionality, making clean-up a breeze. A stainless steel sink provides a sleek and practical workspace, while Subzero wine storage and four additional Subzero fridges ensure that all beverages and perishables are perfectly chilled. Cabinet storage is plentiful, allowing for organized and efficient use of space. A raised settee provides seating for four to five guests, making it an inviting area for informal meals or gatherings. Large hull side windows flood the galley with natural light, enhancing the open and airy feel of the space. Entertainment is easily accessible with a Samsung TV, and the new LG microwave/oven adds further cooking flexibility. Access to the galley is convenient, with a starboard side mid-ship pantograph door, and forward to starboard, stairs lead to the crew quarters, ensuring seamless movement throughout the yacht. This galley is a perfect blend of style, functionality, and modern convenience, making it an ideal space for both everyday use and entertaining on the water.

Master stateroom

The master stateroom of this yacht is a sanctuary of luxury and comfort, designed to provide a serene retreat on the water. As you approach the stateroom, you are greeted by a Samsung washer and dryer conveniently located in the foyer, ensuring that laundry needs are easily met. Entering through elegant twin cherry doors, you find yourself in a spacious and well-appointed room centered around an island king berth, offering a restful haven for relaxation. A mirror above the berth adds a touch of elegance and enhances the sense of space. The stateroom features two cedar-lined closets,

providing ample storage for clothing and personal items while maintaining a fresh and pleasant aroma. To port, a loveseat sofa offers a cozy spot for reading or unwinding, while to starboard, a dresser provides additional storage and organization. Entertainment is at your fingertips with a Samsung smart TV, allowing you to enjoy your favorite shows and movies in the comfort of your private retreat. The room is carpeted throughout, adding warmth and comfort underfoot, and is equipped with four speakers to deliver a rich audio experience. The master stateroom also includes an ensuite head, ensuring privacy and convenience. This master stateroom is a perfect blend of elegance, functionality, and modern amenities, making it an ideal space for relaxation and rejuvenation on the water.

Master head

The master head of this yacht is a luxurious and thoughtfully designed space, offering both functionality and elegance. It features identical his and hers areas, providing personal space and convenience for both occupants. At the center of this well-appointed area is a large stand-up shower, which serves as a focal point with its glass doors on both sides, allowing for easy access and a sense of openness. The shower is equipped with lights and an exhaust fan, ensuring a comfortable and well-ventilated environment. The master head is adorned with marble countertops, adding a touch of sophistication and luxury. Mirrors with drawers underneath provide ample storage space for personal items, keeping the area tidy and organized. The presence of twin toilets further enhances the convenience and functionality of the space. A sink is also included, completing this elegant and practical setup. This master head is a perfect blend of style and utility, making it an ideal space for relaxation and personal care on the water.

Vip cabin

The VIP cabin of this yacht is a haven of comfort and elegance, designed to provide a luxurious experience for its guests. At the heart of the cabin is an island queen berth, offering a spacious and inviting place to rest. Each side of the berth is flanked by nightstands with drawers, providing convenient storage for personal items. The cabin is equipped with a Samsung TV, ensuring entertainment is always at hand, while two reading lights offer the perfect ambiance for a quiet evening with a book. The cedar-lined locker closet adds a touch of sophistication and provides ample storage space, keeping clothing fresh and well-organized. The cabin is carpeted throughout, adding warmth and comfort underfoot. For music lovers, a Fusion radio paired with two speakers delivers high-quality sound, enhancing the overall atmosphere of the space. Completing this luxurious setting is an ensuite head, offering privacy and convenience for guests. The VIP cabin is a perfect blend of style and functionality, ensuring a restful and enjoyable stay on the water.

Vip head

The VIP head of this yacht is a beautifully appointed space that combines elegance with practicality, ensuring guests enjoy a luxurious and comfortable experience. The centerpiece of the room is a vanity with drawers, providing ample storage for personal items and toiletries, while the marble countertop adds a touch of sophistication and luxury. The stand-up shower is equipped with a bi-fold glass door, offering both style and functionality, and ensuring a refreshing and private bathing experience. A sleek sink and mirror complete the space, providing all the essentials needed for personal care. The VIP head is designed to offer a seamless blend of style and utility, making it an ideal space for guests to refresh and rejuvenate during their stay on the water.

Starboard guest cabin

The starboard guest cabin of this yacht is thoughtfully designed to provide comfort and convenience for its occupants. It features side-by-side berths, offering a cozy and inviting sleeping arrangement for guests. The cabin is equipped with a cedar-lined locker closet, providing ample storage space while maintaining a fresh and pleasant aroma for clothing and personal items. For added comfort, the cabin includes two reading lights, perfect for enjoying a book or unwinding before sleep. The audio experience is enhanced by two speakers, ensuring guests can enjoy their favorite music or podcasts in the privacy of their cabin. The starboard guest cabin also boasts an ensuite head, offering additional privacy and convenience. This cabin is a harmonious blend of functionality and comfort, making it an ideal retreat for guests during their stay on the water.

Port guest cabin

The port guest cabin of this yacht is designed to maximize comfort and versatility, making it an ideal space for accommodating guests. It features side-by-side berths, providing a cozy sleeping arrangement, and includes an additional Pullman berth, offering extra sleeping capacity when needed. This thoughtful design ensures that the cabin can comfortably host multiple guests. The cabin is equipped with a cedar-lined locker closet, which offers ample storage space while maintaining a fresh and pleasant aroma for clothing and personal items. For added convenience, the cabin includes two reading lights, perfect for enjoying a book or unwinding before sleep. The audio experience is enhanced by two speakers, allowing guests to enjoy their favorite music or podcasts in the privacy of their cabin. Completing this well-appointed space is an ensuite head, providing additional privacy and convenience for guests. The port guest cabin is a harmonious blend of functionality and comfort, ensuring

a restful and enjoyable stay on the water.

Port guest head

The port guest head of this yacht is a beautifully designed space that combines elegance with practicality, ensuring guests have a luxurious and comfortable experience. At the heart of this space is a vanity with drawers, providing ample storage for personal items and toiletries, while the marble countertop adds a touch of sophistication and luxury. The stand-up shower is equipped with a bi-fold glass door, offering both style and functionality, and ensuring a refreshing and private bathing experience. A sleek sink and mirror complete the space, providing all the essentials needed for personal care. The port guest head is designed to offer a seamless blend of style and utility, making it an ideal space for guests to refresh and rejuvenate during their stay on the water.

Crew cabin

The crew cabin of this yacht is thoughtfully designed to provide comfort and functionality for the crew members. It features an upper and lower berth, with drawers conveniently located under the lower berth, offering ample storage space for personal belongings and essentials. This practical arrangement ensures that the cabin remains organized and clutter-free. For added convenience, the cabin is equipped with reading lights, allowing crew members to enjoy a book or review navigation charts in their downtime. The cedar-lined locker closet provides additional storage, maintaining a fresh and pleasant aroma for clothing and gear. The forward ensuite head offers privacy and convenience, ensuring that crew members have all the necessary amenities for a comfortable stay. Overall, the crew cabin is a well-appointed space that balances practicality with comfort, making it an ideal environment for crew members to rest and recharge during their time on the water.

Crew head

The crew head of this yacht is a well-designed space that combines functionality with a touch of elegance, ensuring that crew members have a comfortable and practical environment. The vanity, featuring two cherry doors, provides ample storage for personal items and toiletries, while the marble countertop adds a luxurious feel to the space. The sink is conveniently positioned for easy access, making daily routines seamless. The stand-up shower is equipped with a glass door, offering both style and privacy, and ensuring a refreshing experience. The teak floor adds warmth and a classic nautical touch, enhancing the overall aesthetic of the space. A toilet is also included, completing the essential amenities needed for the crew's comfort and convenience. Overall, the crew head is thoughtfully appointed to provide a balance of utility and comfort, making it an ideal space for crew members to maintain their personal care routines while on board.

Captain cabin

The captain cabin of this yacht is a well-appointed space designed to provide comfort and functionality for the captain. At the heart of the cabin is an island double berth positioned centerline, offering a spacious and inviting place to rest. Built-in cabinets under the berth provide ample storage for personal belongings, ensuring the cabin remains organized and clutter-free. Additionally, a built-in dresser offers further storage options, enhancing the cabin's practicality. The cabin features two cedar-lined locker closets, which not only provide generous storage space but also maintain a fresh and pleasant aroma for clothing and gear. A Sharp TV is included, offering entertainment options for the captain during downtime. The presence of an emergency hatch adds an extra layer of safety, ensuring quick access in case of emergencies. Natural light floods the cabin through two port-hole windows, creating a bright

and airy atmosphere. The captain cabin also includes an en suite head, providing privacy and convenience. This cabin is thoughtfully designed to balance comfort, functionality, and safety, making it an ideal retreat for the captain while on board.

Captain head

The captain head of this yacht is a meticulously designed space that combines elegance with practicality, ensuring the captain has a comfortable and functional environment. The vanity, featuring two cherry doors, provides ample storage for personal items and toiletries, while the marble countertop adds a touch of luxury and sophistication. The sink is conveniently positioned for easy access, making daily routines seamless and efficient. The stand-up shower is equipped with a glass enclosure, offering both style and privacy, and ensuring a refreshing and invigorating experience. A toilet is also included, completing the essential amenities needed for the captain's comfort and convenience. This captain head is thoughtfully appointed to provide a balance of utility and elegance, making it an ideal space for the captain to maintain personal care routines while on board.

Crew foyer/lounge

The crew foyer/lounge of this yacht is a thoughtfully designed space that provides a comfortable and functional area for the crew to relax and manage their daily tasks. Accessed via a set of stairs, this area serves as a central hub for crew activities. It features an AC/DC breaker panel, ensuring easy access to electrical controls and enhancing the operational efficiency of the yacht. The lounge is equipped with a settee and a table that comfortably seats four, offering a cozy spot for meals, meetings, or downtime. A locker closet provides ample storage space for personal belongings and work gear, helping to keep

the area organized and tidy. For laundry needs, the space includes separate GE washer and dryer units, ensuring that crew members can easily manage their laundry tasks. Entertainment is provided by an LG flat-screen TV, allowing the crew to unwind with their favorite shows or movies during their free time. This crew foyer/lounge is a perfect blend of practicality and comfort, making it an ideal space for the crew to relax and recharge while on board.
