DETAILED DESCRIPTION

Entre Cielos – 32m classic gulet by Hasan Ali Bayar / SU Marine

Launched in 2004 and conceived and built by master craftsman Hasan Ali Bayar at the respected Turkish shipyard SU Marine, Entre Cielos is a 32 metre gulet that captures the essence of traditional Eastern Mediterranean sailing with an artisan's finesse. Handcrafted entirely in wood and rigged with twin masts, she presents a timeless silhouette where classical boatbuilding meets modern comfort, offering a serene and authentic seafaring experience. Originally delivered with six cabins, thoughtful refits in 2013 and 2018 transformed her layout into a more spacious and luxurious configuration of five ensuite guest cabins, including a full beam master suite aft that evokes the romance of a classic Caribbean explorer, alongside three generous double cabins and one large twin, all finished in rich woodwork and fitted with complete ensuite facilities. All guest cabins and the main saloon are fully air conditioned to ensure soothing comfort during warmer cruising seasons, while the spacious main saloon itself provides a warm, inviting retreat. Expansive sunbathing areas on both bow and stern create ample space for unhurried relaxation, and two al fresco dining areas are perfectly set for lingering Mediterranean days and Oriental nights; underwater lights add a subtle, cinematic glow after dusk. A new genoa sail enhances sailing performance under her twin masts without compromising the authentic sailing spirit. A dedicated full time crew of six is accommodated in separate crew quarters to ensure attentive service and uninterrupted guest privacy, and a tender is included for effortless transport and water activities. With a proven charter record and meticulous upkeep by her owners and crew, Entre Cielos has been maintained in stunning condition, having been entirely repainted in

2018 and receiving a major hull repaint in 2025, so she remains in top form both aesthetically and structurally. Offering a rare blend of tradition, elegance and contemporary comfort, Entre Cielos is the perfect choice for those seeking an authentic and refined sailing experience aboard a gulet of true pedigree.
