## OVERVIEW

---

Introducing BILLY BUDD, a stunning 112' 22" high-performance contemporary sloop crafted by the esteemed Royal Huisman shipyard in the Netherlands. With a distinguished regatta pedigree and 14 years of dedicated family ownership, this all-aluminum yacht has been lovingly cared for and underwent an extensive refit in 2017, making her an extraordinary vessel poised for new journeys across the seas.

BILLY BUDD's remarkable performance is attributed to her sleek hull, carbon fiber mast, and spars, all of which were completely refurbished in 2010, complemented by a modern sail inventory. Designed for adventurous sailing in high latitudes, this yacht excels in speed and agility, having triumphed in superyacht regattas and successfully circumnavigated the globe under her current stewardship.

The interior of BILLY BUDD, envisioned by the acclaimed designer Pieter Beeldsnijder, radiates a bright and inviting atmosphere. The split-level layout allows for an abundance of natural light, creating a warm and welcoming environment. Accommodations include a luxurious master suite and two double cabins, comfortably hosting up to six guests, while the crew enjoys dedicated quarters located at the bow.

Recently refreshed in 2022, BILLY BUDD is in impeccable condition, featuring several significant upgrades. The yacht has received a fresh hull repaint, ensuring a striking and pristine appearance. Additionally, the rigging has been replaced for enhanced safety and reliability. A thorough overhaul of the machinery guarantees optimal performance in diverse conditions, and a new bank of batteries installed in 2023 further boosts her efficiency and dependability.

BILLY BUDD boasts an array of exceptional features that elevate her status as a premier yacht for sale. Powered by a Scania 430hp turbocharged diesel

engine, she offers an impressive range of 3,500 nautical miles and a top speed of 12 knots, making her ideal for long-distance cruising and global adventures. Ample storage, refrigeration, and freezer capabilities ensure that provisions remain fresh and plentiful throughout your journey.

To enhance her exploratory spirit, BILLY BUDD is equipped with a dive compressor, gear for seven divers, and two tenders. The foredeck features a 4.20m Zodiac with a 40hp four-stroke engine, alongside a garage that accommodates a 3-meter Zodiac with a Yamaha 20hp four-stroke outboard.

With her elegant lines and contemporary sloop design, BILLY BUDD captivates with a secure enclosed center cockpit and an uncluttered, user-friendly deck layout. The raised main salon invites abundant natural light, amplifying the spaciousness and allure of the interior.

With her striking design, luxurious interior, and outstanding features, BILLY BUDD presents a rare opportunity to acquire a robust, safe, and reliable world-cruising yacht that promises unforgettable experiences on the open waters. Explore yacht sales in the current boat location and seize the chance to buy a yacht that embodies adventure and elegance.
