## OVERVIEW

---

Indulge in the ultimate expression of waterfront refinement aboard this magnificent 115-foot yacht, a paragon of naval craftsmanship now offered for sale amid the scenic waters of France. Launched in 2008, this distinguished vessel marries enduring grace with contemporary comforts, presenting a splendid option for those seeking a yacht that promises both spirited exploration and serene repose.

Crossing the threshold, you enter a voluminous and artfully appointed interior where plush living areas flow into one another, reflecting an ethos of comfort and refined taste. The generous 48-foot beam creates expansive spaces ideal for hosting elegant receptions or savoring quiet, private hours at sea. With a draft just shy of 8 feet, the yacht is admirably configured for coastal passages and capable of venturing into deeper anchorages, granting access to an array of enchanting harbors and hidden coves.

Thoughtfully engineered for extended cruising, the yacht carries more than 1,320 gallons of water, ensuring long stretches afloat without frequent resupply, while a fuel capacity exceeding 2,100 gallons provides the range required for extended itineraries. Propulsion comes from a pair of dependable Yanmar inboard engines, delivering a smooth, confident ride and the responsiveness needed for both leisurely voyages and precise maneuvering.

Outside, the composite deck invites sunlit lounging and shaded retreats beneath graceful awnings, creating versatile outdoor living areas suited to alfresco dining, convivial gatherings, or solitary contemplation as the French coastline drifts by. Whether entertaining on a grand scale or watching the sun melt into the horizon with loved ones, every moment aboard is framed by the vessel's tasteful luxury.

More than a boat for sale, this yacht embodies a way of life—an opportunity to claim a coveted place within the competitive yacht market in its current boat

location. Picture yourself cutting through cerulean waters, wind in your hair and sunlight on your face, surrounded by the sumptuous appointments and reliable engineering this yacht provides. Embrace the chance to make this extraordinary vessel your own and begin a life defined by elegant travel on the open sea.
