OVERVIEW

DAKOTA is a striking 39m / 128ft luxury sailing superyacht conceived by the renowned naval architect Ed Dubois as a genuine ocean-roaming bluewater cruiser. Launched by Fitzroy Yachts in New Zealand with a lightweight aluminium hull, she marries assured sailing performance with refined onboard comfort. Her interior, originally envisioned by RWD, was elegantly reimaged by H2 Yacht Design in 2022, resulting in contemporary and inviting living spaces. Complementing a distinguished regatta history that includes entries in the Loro Piana Superyacht Regatta, the Dubois Cup and The Superyacht Cup, DAKOTA nonetheless delivers the creature comforts expected of a first-class yacht. Accommodation sleeps up to nine guests across four tastefully appointed staterooms. The deck layout presents numerous convivial areas, from the sunken foredeck lounge—perfect for sunbathing or losing oneself in a good book, with optional shade—to a sheltered al fresco dining nook positioned ahead of the twin cockpit. A further aft lounge provides a peaceful vantage point for uninterrupted sea views, and days on the water are made effortless by DAKOTA's hydraulic swim platform, offering simple step-to-sea access for swimming.
